	con't. Section 1		Section 2: Life and Death						
	Module 7		Module 8		Module 9	Module 10		Module 11	
	1.7 The Problem of Evil and Suffering		2.1 Death and Life after Death		2.2 The Meaning and Purpose of Life	2.3 Sanctity of Life, Abortion and Euthanasia		2.4 Human Relationships	
	<i>What students will learn...</i>								

	<p>Religious beliefs/teachings about the causes and existence of evil and suffering in the world; why the existence of natural evil, moral evil and suffering raises questions for people who believe that God is omnipotent, omniscient and benevolent, and may lead some people to reject belief in God; attempts by religious people to explain why God created a world containing suffering and/or allows it to continue; non-religious explanations of the causes and existence of evil and suffering in the world; and religious and non-religious responses to the reality of evil and suffering, and views on how to cope with them.</p>	<p>Religious and non-religious beliefs/teachings, and (differing) views about death and human destiny; whether or not there is an afterlife; and why some people believe in life after death, while others do not. Religious beliefs/teachings about the nature of life after death; linear and cyclical views of human existence; immortality of the soul; resurrection; rebirth; judgement; and the law of cause and effect in relation to life after death.</p>	<p>Religious beliefs/teachings about the meaning and purpose of life; salvation; liberation; and how these goals may be achieved. (Differing) views about whether life can have meaning and purpose only for religious people. Non-religious ideas about the meaning and purpose of life. The view that questions about the meaning and purpose of life get in the way of living it to the full and making the world a better place.</p>	<p>Religious beliefs/teachings about the sanctity of life; non-religious beliefs about the value of life; the particular value that religious and non-religious people attach to human life; and religious beliefs/teachings and non-religious beliefs about the importance of relieving suffering. The nature of abortion and euthanasia; current legal arrangements (in any named country) that permit or prohibit them; differing attitudes to abortion and euthanasia among religious and non-religious people and within particular religious traditions.</p>	<p>Religious and non-religious beliefs/teachings about, and the (differing) attitudes of religious and non-religious people to: human sexuality and its purposes; and relationships between the sexes, including heterosexuality and homosexuality. (Differing) religious and non-religious responses to changing patterns of relationships between the sexes.</p>	REVISION		
YEAR 10	WEEK 17	WEEK 18	WEEK 19	WEEK 20	WEEK 21	WEEK 22	WEEK 23	WEEK 24
Section 2: Life and Death							Section 3: Peace and Conflict	
Module 12		Module 13		Module 14		Module 15		Module 16
2.5 Marriage and Partnership		2.6 Divorce and Remarriage		2.7 Family Structures and Responsibilities		2.8 Childlessness and Celibacy		3.1 Conflict and War
<i>What students will learn...</i>								

Term 2	Religious and non-religious beliefs/teachings about, and the (differing) attitudes of religious and non-religious people to: marriage and its purposes; the roles and status of partners within marriage/civil partnerships; same-sex marriages and religious and non-religious attitudes to it; and the importance and role of marriage in religious communities and society. (Differing) religious and non-religious attitudes towards sex outside marriage (pre-marital sex, promiscuity and adultery) and to couples living together, including in long-term relationships, without being married (cohabitation).	Religious and non-religious beliefs/teachings about, and the (differing) attitudes of religious and non-religious people to, divorce and remarriage. (Differing) religious and non-religious attitudes to the breakdown of marriage, and its implications for the individuals concerned, religious communities and society.	Religious and non-religious beliefs/teachings about, and the (differing) attitudes of religious and non-religious people to: family life and its importance; responsibilities within the family, including those between different generations; the rights of children; the changing nature of family life (nuclear, extended, single-parent and reconstituted families) and of the roles of men and women in the family, and the consequences for the individuals concerned, religious communities and society, when family life breaks down. Ways in which religious communities and society can help to sustain family life, support the upbringing of children and keep families together.	Religious and non-religious beliefs/teachings about, and the (differing) attitudes of religious and non-religious people to: childlessness; decisions not to have children (and the reasons for such decisions); forms of genetic engineering and fertility treatments to support successful conception; contraception; celibacy (including reasons for and against it, and differing attitudes to it); adoption and fostering, including religious and non-religious attitudes to them.	This comprises an in-depth study of the causes of conflict and war in the world today, including economic reasons, religious reasons and social reasons. In the chosen religion, it considers its beliefs and teachings on war. This approach encourages students to reflect on the links between beliefs and teachings of their chosen religion and the issues of why politics, resources, history, culture and religion lead to conflict, such as passive resistance; Just War theory; holy war; weapons of mass destruction and attitudes to use of WMD; conflict and terrorism. Three current areas of conflict must be studied.		
	WEEK 25	WEEK 26	WEEK 27	WEEK 28	WEEK 29	WEEK 30	WEEK 31

Term 2	Section 3: Peace and Conflict					REVISION
	Module 17	Module 18	Module 19	Module 20	Module 21	
	3.2 Peace, Reconciliation and Forgiveness	3.3 Bullying	3.4 Sin and Crime	3.5 Punishment	3.6 Capital Punishment	
	The attitudes towards peace; the nature and importance of peace; teachings about peace; role of religion in peacemaking; the importance of justice, forgiveness and reconciliation and the nature and history of pacifism. The importance and significance of attitudes and teachings on forgiveness and reconciliation within the religion chosen. The role and work of the United Nations in keeping the peace, and the work of one religious organisation that works towards peace.	The issues of bullying; the nature of bullying in the modern world, including cyberbullying; the reasons why bullying occurs; types of bullying; social attitudes to bullying; religious attitudes to bullying and the importance of religious teachings on inclusion; solutions to bullying; the importance and significance of attitudes and teachings on bullying in the religion chosen.	The issues of the difference between sins and crimes; how and why sins and crimes differ; religious teaching on sins and crimes; social attitudes to sin and crime. Types of sins and types of crimes and their consequences. The importance and significance of attitudes and teachings on sins and crimes in the religion chosen.	The reasons why punishment exists, such as protection, deterrent, retribution, reform, reparation; the types of punishment such as imprisonment, fines, community service; attitudes to punishment in the religion chosen and the reasons for them.	The nature of capital punishment; social reasons for and against capital punishment; reasons for and against capital punishment in the religion chosen; the importance and significance of religious teachings related to the death penalty in the religion chosen.	

RELIGIOUS STUDIES YEAR 11 LONG TERM PLAN with CURRICULUM STANDARDS

YEAR 11	WEEK 1	WEEK 2	WEEK 3	WEEK 4	WEEK 5	WEEK 6	WEEK 7	WEEK 8	
Term 1	Part 1: Beliefs and Values		Section C: Relationships, Families and Children			Part 2: The Religious Community			
	Module 1		Module 2			Module 3		Module 4	
	Section C (c) Divorce and Remarriage		Section C (d) Family Structures and Responsibilities			Section C (e) Childlessness and Celibacy		(a) Religious Texts and Sources of Authority	
	<i>Learning Objectives</i>							<i>What students will learn...</i>	
	1. Evaluate the issues of, religious and non-religious beliefs/teachings about, and the (differing) attitudes of religious and non-religious people to: divorce; and remarriage. 2. Discuss the different religious and non-religious attitudes to the breakdown of marriage, and its implications for the individuals concerned, religious communities and society.		1. Examine the issues of, religious and non-religious beliefs/teachings about, and the (differing) attitudes of religious and non-religious people to: family life and its importance; responsibilities within the family, including those between different generations; the rights of children; the changing nature of family life (nuclear, extended and reconstituted families) and of the roles of men and women within the family; and the consequences, for the individuals concerned, religious communities and society, when family life breaks down. 2. Describe ways in which religious communities and society can help to sustain family life, support the upbringing of children, and keep families together.			Assess the issues of, religious and non-religious beliefs/teachings about, and the (differing) attitudes of religious and non-religious people to: childlessness; decisions not to have children (and the reasons for such decisions); forms of genetic engineering to support successful conception; contraception; and celibacy (including reasons for and against it, and differing attitudes to it).		Students will study the principal text(s) of the religion, including its main writings and teachings; role and authority in the religion; significance for the religious community and beliefs about it/them; and use in worship, devotion/meditation and instruction/education. Other sources of authority in the religion.	
	WEEK 9	WEEK 10	WEEK 11	WEEK 12	WEEK 13	WEEK 14	WEEK 15	WEEK 16
