Tasks

Lesson 1

1.Negative Effects Of Too Much Screen Time.

Obesity, Sleep problems, Behaviour problems, Educational problems, Violence.

The Cost Of Overusing Your Cell Phones.

It takes you away from family time, It is addictive, It's contagious, It's just plain rude, Kids learn from your cell phone behaviour, It changes the way we think, The time you spend comes at a great cost. like more time to technology but less time to sleep, family , friends and other important things in your life. Its easy to lose track of time, Your interaction with your spouse or children is not so good, Can cause disasters, Can effect human health, Effects weather,

Identify the negative impacts of the use of modern technologies and their patterns.

Identify the negative impacts of the use of modern technologies and their patterns.

Lesson 2

2.STRATEGIES TO TRY TO KEEP PHUBBING IN CHECK

Establish a rule in your house that there will be no using phones after a certain time

Keep dinner time free from using phones and talk about the day.

Use an app to monitor how much your kids use their phones.

Keep time for your spouse. (free from cell phone) .

3. ON WEATHER

Acid rain effects

It drains important minerals from leaves and the soil, and is very bad for plants, trees and agricultural land.

Drinking water which has been contaminated with acid rain can cause brain damage over time. Acid rain also eats into stone and metal, so building can be affected by erosion over time.

Essential questions

- Q1. WHAT ARE THE Effects Of Too Much Screen Time.
2. WHAT ARE STRATEGIES TO TRY TO KEEP PHUBBING IN CHECK?

Resources

Text book. Research study by students on negative Impacts for their knowledge, Notes posted in the GC and PPT.
