Tasks

Task 1: (1st and 2nd lesson task, during lesson)

1. Explain criminality using biological explanations.
2. Explain different personality traits. (introversion/ extroversion, Neuroticism/ Psychoticism)

Task 2: (Homework) (Google classroom)

Test yourself:

Jerome was calm and quiet as a child and was not known for misbehaving, while his friend Kiran was outgoing, took risks and did not like being told how to behave. Using your knowledge of Eysenck's personality theory, explain which child is more likely to turn out to be a criminal when they grow up.
