FULL DISTANCE LEARNING

Subject: Health and Safety update for St. Mary's Catholic High School, Oud Metha – Dubai, 7th January 2022

Dear Parents,

Thank you for your support in keeping your children safe. We're writing to let you know of *confirmed positive cases* of Covid at our school.

We've anticipated this possibility, and we are ready to deal with it.

As an immediate but temporary measure, all students in **Year 1** to **Year 13** will **move to full distance learning from Monday 10th January, 2022 to Friday 14th January, 2022.**

The school will continue to be cleaned according to Dubai Government guidelines.

As parents, your role in keeping our school safe is crucial. If your children are showing any Covid symptoms at all, **you must not send them to school.** They will be able to access distance learning, and can return to school when they no longer have symptoms. A PCR test is not necessary. This is for their own safety as well as the safety of other children and adults at the school.

We will keep you updated in case of further changes. With your support we can continue to give our children a happy learning experience at home and at school.

The regular weekend circular will follow tomorrow i.e. 8th January, 2022. Kindly check the school website regularly for updates.

Regards,

Mr. Paul Asir Joseph
(Principal)
