**TO : Parents of students from years Nine and Ten - ITCFEST AT DUBAI FESTIVAL CITY**

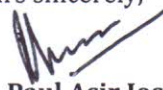

**Dear Parents,**

Greetings from St. Mary's. Our school has been invited to attend the ITCFEST scheduled on the 11<sup>th</sup> of October 2017 at the Dubai Festival City, Festival Arena. Technology and the Internet bring many benefits for students but along with those benefits come threats as a result of the misuse of technology. Students often don't realize that their actions online put them, their families and sometimes even their country at risk. The campaign deals with many cyber security issues and is an exciting opportunity for students to gain further knowledge about their online presence. Students who are interested in attending this event are asked to read on.

Students will be taken to the venue from school to reach there by 9:00 am. There will be a teacher with them. However they will need to be picked up by a parent from the venue by 1:30 pm. AED10/- will have to be paid for transport to the venue. Students will be able to purchase refreshments at the venue if they wish.

We are trying to provide our students with more opportunities to collaborate with local enterprises and institutions to help them develop specific skills that will later help them cope with university and life at work. We thank you for your support for these initiatives.

Yours sincerely,

  
**Mr. Paul Asir Joseph**
