Dear Parents

Greetings from St. Mary's Catholic High School Dubai ! As we begin a new academic year, many of our students are also preparing to begin a new phase in their educational journey by applying to universities. In the last three academic years we had the SAT/ACT tutorial programme in the school premises. Following successful tutorial courses, we are pleased to let you know that this year's classes will begin from the 6th of October 2017, which will be a diagnostic testing session.

SAT/ACT are some of the major admission exams that is used to admit students to colleges in the US, Singapore, Malaysia, UAE and a few prestigious colleges in India. Most colleges in the US will accept the SAT or the ACT standardized test scores. The programmes will be conducted twice a week. A schedule will be provided for students who sign up to take the classes. This will prepare the students for the December and January SAT exams and ACT test in December and February.

The course will be conducted by **THE PRINCETON REVIEW/SCORE PLUS**. TPR is an American-based standardized test preparation and admission consulting headquarters in Boston, MA. USA. It is the world's leading test preparation service provider for SAT.

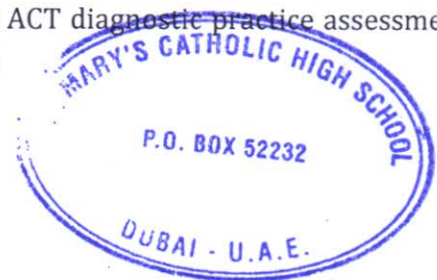

A special discounted fee of AED 4750/-has been offered to St. Mary's students. This must be paid to the school office before the start of the programme. This will entitle students to:

- Program Hours: 61 hrs
- 45 hours of instruction in addition to extra practice, and 4 SAT diagnostic practice assessment tests; each
- practice test is approximately 4 hours (16 hours)
- Detailed score report for each diagnostic exam.
- Each segment of the student's test will be analyzed.
- Instruction will cover fundamental concepts required by the SAT, as well as test-taking strategies and techniques.

We would also like to point out the commitment that us required from the student in order to be part of the program :

- Students must attend all classes and practice diagnostic tests punctually
- Students must complete given homework consistently as score improvements are clearly dependent on the above.
- Students must commit to completing the course and take the actual standardized exam.

As with planning for any programme like this, we will need your feedback to commence the schedule. We would therefore request you to fill in this consent form and return the same to us ON **MONDAY, 2nd OCTOBER 2017**, along with the payment.
