To Parents (Year One to Year Thirteen) : MARCH 2018 UPDATES

Dear Parents,

Greetings from St. Marys. We would like to invite you to read the following important information.

SPRING BREAK : The last day of school before the Spring Break is Thursday, 22nd

March 2018. The Spring Break runs from Thursday 23rd March 2018 until Saturday 7th April 2018. Our students will return to school on Sunday, 8th April 2018. We wish all the families of our school community a happy and refreshing break and we hope that you will enjoy some quality family time. Of course we would also like to reiterate that those students who have Mock Examinations after the break must use this time well and use it to study and revise in a focused manner in order to obtain the best result. **The School Office will only be open on Saturday and Sunday, 24th and 25th March 2018 from 8:00 am until 12:00 pm. Other than this day, the school office will be closed during the Spring Break.**

ETHNIC DAY AT SMCHS -THURSDAY, 15TH MARCH 2018- Our school will be celebrating Ethnic Day on Thursday, 15TH March for all students. It is a day to celebrate the beauty of the different cultures in our school community and to appreciate and be proud of our rich diversity. ***We invite all children to come dressed in their traditional / national dress BUT we ask you as parents to be very mindful of the fact that children must be dressed MODESTLY and if any child is not dressed in keeping with the modest values of the UAE we will have no choice but to call you and ask you to take your child home. There is a coloured clothes dress code that must be followed.***

WEDNESDAY, 14TH MARCH 2018: We will be following Thursday's time table on Wednesday, 14th March 2018. Please make sure that the children pack their bags accordingly. School will end at the normal time of 1:30 pm on Wednesday, 14th March 2018.

THURSDAY, 22ND MARCH 2018: Students from years 5-10 and year 12 have their outings on this day and we would like to remind parents that those children not attending must remain at home.

AN APPEAL TO PARENTS : We appeal to all parents to kindly not send your children to school when they have any infectious diseases or have fever or if they are displaying any symptoms of contagious diseases. This is important to the health and well being of all our students and as parents we are certain that you can make this effort for the benefit of all. We have been reminding you constantly about the same but we still have many children coming to school with fever.

Yours sincerely,

Mr. Paul Asir Joseph
(Principal)
