Entry Tests in English and Mathematics will be scheduled for short listed candidates . A list of short listed candidates for the entry test will be posted on our school website including the time and date of the entry test. **Portions for the same will be made available on the school website before the winter break. Entry tests for Years ONE, THREE & FOUR will be conducted on Saturday, 15<sup>th</sup> February 2020.**

Parents should be aware that the entry tests are competitive as the number of students far exceeds the number of places available. Other factors are also taken in consideration such as those which will allow us to maintain a good balance in the internationality of the student body.

Incomplete application forms will not be considered for admissions. Students studying in a particular class will not be allowed to take admission in the same year, for e.g. if a child is studying in year one he / she will not be considered for admission to year one.

**Valid Residential Visa for the child, parents or the guardian who is sponsoring is a must to consider the applications for admission process.**

Notification of the entry examination results will be posted on the school website within a week of the entry tests. The next step is a personal interview with the candidate and both parents. ***The time and date for interviews will be posted on the school website after the 22<sup>nd</sup> of February 2020.*** **We regret that we will not be able to contact all the applicants individually. If your child's name does not appear on the list, then it means that he or she has not made it through for the second round which comprises an interview.** Please do not call the school to check the status of your application. We will not be able to entertain such enquiries. **As places are very limited, parents are advised to seek admission to other schools too.**

*Kindly note that admissions into years 5 through 10 will be subject to seat availability as it depends on the number of our students who wish to get transferred.*

Confirmation of admission for Years 1, 3 & 4 will be given in February 2020 after the interviews. Information about ENTRY TESTS for years 5-10 will be available on the school website at the end of February 2020. Confirmation of admission for all other years will be given after March 2020.
