

Year 4 Mathematics	
Class / Division	Year 4 A to F
Week	5 (19th April to 22th April)
Work send to students via	Group Email / Zoom Class/Active Learn Allocations
Total number of lessons per week	4
Topic	Symmetry
Lesson 1 Symmetry	Learning Objective <ul style="list-style-type: none"> Identify lines of symmetry
Task	Task 1 – Find Symmetry on letters/alphabets
Resources	PowerPoint presentation on Symmetry1 Abacus Text Book 2 – Pg 38
Lesson 2 Symmetry	Learning Objective <ul style="list-style-type: none"> Identify lines of symmetry
Resources	Zoom Session
Lesson 3 Symmetry	Learning Objective <ul style="list-style-type: none"> Complete a symmetric figure with a given line of symmetry
Task	Task 1- Copy and complete each shape.
Resources	PowerPoint presentation on Symmetry2 Abacus Text Book 2 – Pg 39
Lesson 4 Symmetry	Learning Objective <ul style="list-style-type: none"> Complete a symmetric figure with a given line of symmetry
Task	Task 1 – Identifying symmetry in shapes (Mastery check point)
Resources	Zoom Session
