Zoom Classroom Rules

- Find a **QUIET PLACE** free of distractions. (siblings, television, parents, pets, etc.).
- **Close unnecessary applications** on your computer to keep the video optimally functioning.
- You will **need school materials** handy such as student materials, paper and pen to take important notes.
- **DO NOT USE cellphones** or other electronic devices that are not your primary Zoom device.
- **Appropriate attire and language** are expected.
- Have your questions and concerns written down ahead of time so the teacher can make sure that you get **your questions answered**.
- **Mute Audio** as soon as you sign on and whenever you are not speaking. This is important and perhaps the most critical tip to avoid background noise and distractions for others.
- Maintain **RESPECT** at all times in speaking, writing, & appearance.
- Stay **ON TASK**.
