Dear Educators,

Let the countdown begin!

October 1st marks 1 year to go until Expo 2020 Dubai opens its doors, and we want to celebrate.

Join us for Expo Week: a week-long celebration from 4-8 October, where you and your students can get creative and Expo-fy your classrooms – at school or at home.

Not sure where to start? We've got you covered.

Our first day starts with a live online session "Hayyakum to Expo 2020 Dubai", where you'll discover the history of world expos, explore our immersive thematic journeys and meet our amazing Mascots.

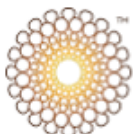

This fun-filled hour, complete with interactive trivia games, is open for parents, students and teachers who wish to attend.

We've also created an array of tools to help you and your students throughout the week – including learning resources, fun activities, printable props and so much more.

We look forward to celebrating with all of you!

Best wishes,

The Expo School Programme team
