

EXPO 2020 DUBAI UAE

ONE YEAR TO GO UNTIL EXPO 2020 DUBAI!

ONLINE SESSION | FUN ACTIVITIES | PRINTABLE PROPS | GLOBAL FOLKTALES | AND MORE!

LET'S CELEBRATE EXPO WEEK!

There's just One Year to Go until Expo 2020 Dubai opens its doors 1 October, 2021 and brings together everyone from acrobats to academics, tech wizards to tomorrow's leaders, and pop stars to pioneering thinkers; for an unforgettable celebration right here in the UAE, featuring 190 plus participating countries.

Taking place from 4 to 8 October, Expo Week is a chance for your school to join in the 12 month countdown until the first World Expo ever held in the Middle East.

All week, teachers and students can choose to host entertaining and educational activities, both online and in schools, including creating fun Expo-centric projects and downloading learning resources.

EXPO 2020 DUBAI

What better way for your school to gain a tantalising glimpse into the magic of Expo 2020 Dubai?

ONLINE SESSION

HAYYAKUM TO EXPO 2020 DUBAI

SUNDAY OCTOBER 4, 2020 | 10AM – 11AM

Did you know that awesome innovations from the Ferris wheel to the ice cream cone were first unveiled at World Expos? And that's not all – the Eiffel Tower, the X-ray machine, tomato ketchup, IMAX...the list goes on and on!

'Hayyakum to Expo 2020 Dubai' is a live online session where you and your students can discover the fascinating story of World Expos and the innovations they introduced to visitors, going back almost 170 years, and explore the amazing ways that Expo 2020 Dubai will shape the future.

You'll find out more about our theme Connecting Minds, Creating the Future and subthemes - Opportunity, Mobility and Sustainability, each of which has its own pavilion where you can discover the city of tomorrow, take a trip to Mars, find out how trees in a forest 'talk' to one another, meet a sharp-toothed machine of endless consumption named Gnasher, and so much more.

You'll also learn about the Expo School Programme journeys plus Al Wasl Plaza, the beating heart of Expo 2020 which has a huge 360 degree projection surface that can be viewed from both inside and outside.

This fun-filled hour, complete with interactive trivia games, is open for parents, students and teachers who wish to attend from the classroom or the comfort of their own home. Should you not be able to attend the live session, we got you covered! You can also register for a recorded version below:
