## To: **Parents of students in Years 10 through 13: VIRTUAL UNIVERSITY FAIRS**

Dear parents

**Greetings from Saint Mary's.** With the current times of uncertainty, we are more than ever conscious of the need to provide opportunities for our students to have opportunities to explore the world of higher education.

With this in mind, we have been having University Information Sessions every Tuesday at 5pm for our years 10 to 13. Links for these sessions are sent to the students through the class teachers. Opportunities to interact with a wide variety of universities from any different destinations around the world are provided. Do encourage your children to attend sessions that they are interested in.

In addition to this, we are forwarding links below for virtual university fairs that are taking place for universities from various countries. Please note the timings mentioned are of the destination country and not of the UAE. Students will need to register for these events in order to attend. Information about other upcoming events will be shared in the coming months
