

Year 7 - SCIENCE

DISTANCE LEARNING

Subject	Science	Mode of teaching
Class/ Division	Year 7 A-F	
Week	4 (27 th Sept to 1 st Oct)	
No. Of lessons	4	
Unit	Unit 7G	
Lesson 1	Chapter 7Ga Solids ,Liquids and Gases Learning objective To know the Differences between solids liquids and gases. Learning outcome – Describe the properties of the three states of matter in terms of shape, volume and compressibility State what is meant by the terms volume and density (including appropriate units). Appreciate that some substances are difficult to categorise as solids, liquids or gases.	Zoom Session
Resources	1.Text book Exploring Science (Active Learn) 2.Work sheets, Active learn presentation	
Lesson 2	. Discussion of the lesson continued---- Doubts cleared Question and Answers discussed. Work sheets answers are corrected.	Zoom session
Resources	Active Teach Work sheets, Presentations.	
Lesson 3	GL Exam Preparation	Zoom session (GL Practice)
Resource	Practice work given as home work	

Lesson 4	Revision work continued: More work given. Home work correction done in class. Common errors discussed and doubts cleared.	Zoom session (GL practice)
-----------------	---	---------------------------------------

Note: Students to answer all the text book questions in the note book.
