d. Identify key features of Willingham's learning theory.

Task 1:

Revise all the psychological terms and describe the studies in APRC framework.

(to be done during GC session)

Task 2: Peer assessment task (ZOOM SESSION)

Question will be posted in Google classroom on recap of the previous lesson. Students will answer in the GC and their peers will evaluate their answers by giving scores.

- Mrs. Morgan is a nursery school teacher who wants to see whether praising effort or praising ability encourages children to paint pictures for longer. She splits her class into three groups and asks two teachers to help. Teacher 1 praises the effort of the children in group 1. Teacher 2 praises the ability of the children in group 2. Mrs. Morgan does not praise the children in group 3. A fourth teacher observes all three groups and records how long the children paint during the day.
 - a) Explain what Mrs. Morgan is likely to find in her study. You should refer to Gunderson et al. (2013) in your answer.
 - b) Explain one strength and one weaknesses of Mrs. Morgan study.

(5 marks)

Task 3:

Assessment will be conducted during the double zoom session as informed by teachers.
