

EXPO 2020 DUBAI UAE

# MUSIC TO MY WORLD

## EQUALITY, TOLERANCE, INCLUSIVITY... LET'S EXPLORE HOW MUSIC BRINGS US ALL TOGETHER

Dear Educators,

Nothing beats a great piece of music - whether it's making us dance, sing along, imagine, tap our toes, lip-sync or even pick up an instrument ourselves.

Celebrate the power of music with your students at our end-of-term workshop **'Music to My World'**, which takes place on **Sunday 6 December** at **9 am (for ages 5-8) and 1 pm (for ages 9-13)**.

The online session will explore **music as humanity's shared language** - how it can bring people of different cultures together, help us celebrate both our similarities and our differences, **and inspire individuals and even entire communities to change for the better.**

The workshop will also highlight the special Expo School Programme musical initiatives that students can enjoy during Expo 2020 Dubai, and some popular musical instruments showcased and introduced at previous World Expos.

We can't wait for you to join us, and we look forward to celebrating the joy of music with you soon!

ACTIVITIES & HANDOUTS | PRIMARY

## MUSIC AND TOLERANCE

### LET'S GET READY

To help you prepare for the session and discover the fascinating topics that will be covered, simply download our learning resource 'Music & Tolerance'.

[DOWNLOAD](#)

### MORE FUN AWAITS!

Continue exploring the world of music after the workshop by downloading our fun and interactive activities. Students can research the history of music, and even make their own musical instruments out of recycled material.
