YEAR 7 – MATHEMATICS NOV 2020

Subject	Mathematics
Class/ Section	Year 7 A-F
Week 10	1st November to 5th November
Work send to students by	Google classroom / Zoom
Total number of lessons per week	5
Unit 3	Unit 7 - Equations & Unit 4 - Fraction
Lessons 1 Zoom lesson Work will be discussed in the Zoom lesson Task Resources	**Learning Objective:** • To Solve problems involving one step and two-step equations **Intended Learning Outcome:** By the end of the lesson students will be able to • To Solve problems involving one step and two-step equations Challenging and Application questions from textbook
Lesson 2 Zoom lesson Work will be assigned in the Zoom lesson through GC Task & Resources	**Learning Objective:** • To Write and Solve Equations with letters on both sides. **Intended Learning Outcome:** By the end of the lesson students will be able to • To Write and Solve Equations with letters on both sides. PPT and Delta 1 Textbook
Lessons 3 Asynchronous Lesson Work will be assigned in the GC for the Asy lesson Task & Resources	**Learning Objective:** • To Write and Solve Equations with letters on both sides. **Intended Learning Outcome:** By the end of the lesson students will be able to • To Write and Solve Equations with letters on both sides. Textbook questions and Active learn
Lessons 4 Zoom lesson Work to be discussed and done in the	**Learning Objective:** • To Compare and Simplify fractions. • To work out simple fractions of amount. **Intended Learning Outcome:** By the end of the lesson students will be able to

Zoom lesson **Task & Resources**	• **To Compare and Simplify fractions.** • **To work out simple fractions of amount.** **Textbook questions**
Lessons 5 Google classroom **Work will be assigned in the GC according to the students ability.** **Task & Resources**	**Learning Objective:** **Learning Objective:** • **To Compare and Simplify fractions.** • **To work out simple fractions of amount.** **Intended Learning Outcome:** **By the end of the lesson students will be able to** • **To Compare and Simplify fractions.** • **To work out simple fractions of amount.** **Textbook questions and Active Learn**
