Task 2: Homework.

- a. Copy the key terms in your notebook.

Application

- b. A group of friends were shown images of how meat is produced in school. Some did not like the way the meat is produced and thought meat processing was unkind to animals. As a result Olwen and her friends decided to become vegetarian. Amanda went along with her friends and became a vegetarian too, but secretly she still wanted to eat meat.

Using your knowledge of types of conformity, explain Olwen and Amanda's behavior.
