3. Social influence ( page 100-111)

# **Year 11 (A-F):**

## **Paper 1:**

1. Development (whole chapter)
2. Memory (whole chapter)
3. Psychological problems (whole chapter)
4. Brain and neuropsychology (whole chapter)
5. Social influence (whole chapter)

## **Paper 2:**

1. Research methods (whole chapter)
2. Criminal psychology (whole chapter)
3. The self (whole chapter)
4. Sleep and dreaming (whole chapter)

# **Year 11 (H/G):**

## **Paper 1:**

1. Development (whole chapter)
2. Memory (whole chapter)
3. Psychological problems (whole chapter)
4. Brain and neuropsychology (whole chapter)
5. Social influence (whole chapter)

## **Paper 2:**

1. Research methods (whole chapter)
2. Criminal psychology ( page 166- 180)

# Year 12:

## **Social Psychology:**

Chapter 1: Social Psychology Page (4-69)

1. An introduction to social psychology
2. Content in social psychology
3. Methods on social psychology
4. Studies in social psychology
5. Classical and Contemporary studies
6. Key questions in social psychology

Chapter 5:

Methods in **social** psychology page 282 -314

Chapter 6:

Mathematical elements in **social** Psychology. Page 396-399

## **Cognitive Psychology:**

Chapter 2: Cognitive Psychology, Page 74-128

1. An introduction to cognitive psychology
2. Content in cognitive psychology
3. Methods in cognitive psychology
4. Studies in cognitive psychology
5. Classic and Contemporary studies
6. Key questions in cognitive psychology

Chapter5:

Methods in cognitive psychology, Page 315 – 339

Chapter 6:

Mathematical elements in cognitive psychology, Page 400 - 406

# Year 13:

## Paper 1:

### Social Psychology:

Chapter 1: Social Psychology Page (4-70)

1. An introduction to social psychology
2. Content in social psychology
3. Methods on social psychology
4. Studies in social psychology
5. Key questions in social psychology
6. Practical investigation in social psychology
7. Issues and debates in social psychology

Chapter 5:

Methods in **social** psychology page 282 -314

Chapter 6:

Mathematical elements in **social** Psychology. Page 396-399

### Cognitive Psychology:

Chapter 2: Cognitive Psychology, Page 74-129

1. An introduction to cognitive psychology
2. Content in cognitive psychology
3. Methods in cognitive psychology
4. Studies in cognitive psychology
5. Key questions in cognitive psychology
6. Issues and debates in cognitive psychology

Chapter5:

Methods in cognitive psychology, Page 315 – 339

Chapter 6:

Mathematical elements in cognitive psychology, Page 400 - 406

## **Biological Psychology:**

1. An introduction to biological psychology
2. Content in biological psychology
3. Methods in biological psychology
4. Studies in biological psychology
5. Key questions in biological psychology
6. Issues and debates in biological psychology

Chapter 5:

Methods in biological psychology. Page 339 – 363

Chapter 6:

Mathematical elements in biological psychology, page 406 - 411

Learning Theories:

Chapter 4: Learning Theories page (203-275)

1. An introduction to learning theories
2. Content in learning theories
3. Methods in learning theories
4. Studies in learning theories
5. Key questions in learning theories
6. Issues and debates in learning theories

Chapter 5:

Methods in learning theories page 364-378

Chapter 6:

Mathematical elements in learning theories page 411-416

# Year 13:

## Paper 2:

Chapter 1: Clinical psychology Page (1- 139)

1. Summary of learning objectives
2. An introduction to clinical psychology
3. Content in clinical psychology
4. Studies in clinical psychology
5. Key question in clinical psychology

Chapter 2: Methods, math's and practical application in Clinical psychology Page (142-156)

1. Health and care professional council
2. Researching mental health

Chapter 4: Child Psychology, page 359 – 474

1. Summary of leaning objectives
2. An introduction to child psychology
3. Content in child psychology
4. Studies in child psychology
5. Key questions in child psychology
