

YEAR 1 – MATHEMATICS

Subject	Mathematics
Class/ Division	Year 1 A- D
Week	Week -26 [21 st - 25 th February]
Work send to students via	Google Classroom and ZOOM classes
Total number of lessons per week	Total-7 Synchronous – 5; Asynchronous – 2
Unit	10 – Introducing length and height
Lesson 1 Asynchronous Task-Resources	<p>Topic: Recapitulation of word problems Learning objective : In this lesson Children will learn to solve word problems. Learning Outcomes:. By the end of the lesson, Can confidently solve addition and subtraction problems.</p> <p>Morning Task- Google Classroom</p> <ul style="list-style-type: none"> • Power point Presentations, (SELF-EXPLANATORY/ CHILD-FRIENDLY) • Videos, • Mathematics work sheet.
Lesson 2 synchronous Task-Resources	<p>Topic: Comparing lengths and heights Learning objective : In this lesson</p> <ul style="list-style-type: none"> • Children will learn to compare lengths and heights of objects and make accurate comparisons. <p>Learning Outcomes:. By the end of the lesson, Children are able to align objects in order to compare their lengths accurately. Able to recognise the difference between tallest and longest.</p> <p>Zoom lesson</p> <ul style="list-style-type: none"> • Power point Presentations, (SELF-EXPLANATORY/ CHILD-FRIENDLY) • Videos, • Mathematics work sheet.
Lesson-3 Synchronous Task-Resources	<p>Topic: Non –standard units of measure(2) Learning objective : In this lesson,</p> <ul style="list-style-type: none"> • Children will learn that there can be more than one type of non-standard unit and that the choice of unit dependent on what is to be measured. <p>Learning Outcomes: By the end of the lesson,</p> <ul style="list-style-type: none"> • Children are aware that the choice of non-standard unit can be dependent on the situation. <p>Zoom Lesson</p> <ul style="list-style-type: none"> • Power point Presentations, (SELF-EXPLANATORY/ CHILD-FRIENDLY)

	<ul style="list-style-type: none"> • Videos, • Mathematics work sheet.
Lesson 4 Synchronous Task Resources	<p>Topic: measuring length using a ruler</p> <p>Learning objective: In this lesson,</p> <ul style="list-style-type: none"> • Children will learn how to use a ruler correctly to measure length in centimetres accurately. <p>Learning Outcomes: End of this lesson, Children are confident in using a ruler. They can understand the necessity for standard units of measurements.</p> <p>Zoom lesson</p> <ul style="list-style-type: none"> • Power point presentation • Video: link <p>Mathematics note book</p>
Lesson 5 Synchronous Task Resources	<p>Topic: solving word problems-addition and subtraction related to length</p> <p>Learning objective: In this lesson,</p> <ul style="list-style-type: none"> • Children will apply what they have learned about measuring length, as well as addition and subtraction, in order to solve problems. <p>Learning Outcomes: End of this lesson,</p> <ul style="list-style-type: none"> • Children can confidently solve addition and subtraction word problems related to measuring . <p>Zoom lesson</p> <ul style="list-style-type: none"> • Power point presentation • Video: link • Mathematics note book
Lesson 6 Synchronous Task Resources	<p>Topic: Recapitulation of measurement- length and height</p> <p>Learning objective: In this lesson, Children learn to identify different measurements using ruler and non standard units.</p> <p>Learning Outcomes: End of this lesson Can confidently identify different measurements and say long, longer and longest, etc.</p> <p>ZOOM Lesson</p> <ul style="list-style-type: none"> • Power point Presentations, • Videos, • Mathematics note book
Lesson 7 Asynchronous Task Resources	<p>Topic: Recapitulation of measurement- length and height</p> <p>Learning objective: In this lesson, Children learn to identify different measurements using ruler and non standard units.</p> <p>Learning Outcomes: End of this lesson Can confidently identify different measurements and say long, longer and longest, etc.</p> <p>Morning Task- Google Classroom</p> <ul style="list-style-type: none"> • Power point Presentations, • Videos, • Mathematics note book
