EXPO ADVENTURES CONTINUE!

Dear Educators,

As the new year is well underway, we invite you and your students to take part in some exciting expo-inspired activities.

Whether it's visiting the exciting Terra Pavilion, uncovering jobs of the future through an interactive workshop, or discovering Expo in your daily life, there is something for everyone!

OUR GIRLS WILL CHANGE THE WORLD

Let's celebrate International Women's Day together! Don't forget to register for our **Mastercard Girls4Tech** virtual workshop, where students can uncover science, technology, engineering and mathematics (STEM) principles while building skills to become anything from a fraud detective to a data scientist.

We can't wait for you to discover the world of algorithms, cybersecurity, data privacy and much more!

Date: March 8, 2021
Time: 10:00 am
Age: Girls aged 8-11
Duration: 45 minutes

Book your spots now and stay tuned for more exciting **workshops** coming soon!
