YEAR 1 – MATHEMATICS

Subject	Mathematics
Class/ Division	Year 1 A- D
Week	**Week -28** [7th – 11th March]
Work send to students via	Google Classroom and ZOOM classes
Total number of lessons per week	Total-3 Synchronous – 2; Asynchronous – 1
Unit	12 – MULTIPLICATION
Lesson 1 synchronous **Task-** **Resources**	**Topic:** Counting in 10s,5s, and 2s **Learning objective** : In this lesson, • children will learn counting fluently in steps of 10,5 and 2. • They will investigate the patterns these counts create using different concrete, pictorial and abstract representations. **Learning Outcomes:.** By the end of the lesson, Children are confident at counting in 10s , 5s and 2s. They are able to apply and explain how they could help in counting further. Zoom lesson • Power point Presentations, (SELF-EXPLANATORY/ CHILD-FRIENDLY) • Videos, • Mathematics work sheet.
Lesson 2 Synchronous **Task** **Resources**	**Topic:** Making doubles **Learning objective:** In this lesson, • children will learn about the meaning of the word double. They will develop their understanding of what a double is and how to find one. **Learning Outcomes:** End of this lesson, • children can confidently say the double of the given numbers. They will develop their understanding of what a double is and how to find one. Zoom lesson • Power point presentation • Video: link Mathematics note book
Lesson 3 Asynchronous **Task** **Resources**	**Topic: Recapitulation of the topic for the assessment** Morning Task- Google Classroom • Power point Presentations, • Mathematics note book
