

YEAR 1 – MATHEMATICS

Subject	Mathematics
Class/ Division	Year 1 A- D
Week	Week -29 [14 th – 18 th March]
Work send to students via	Google Classroom and ZOOM classes
Total number of lessons per week	Total-3 Synchronous – 4; Asynchronous – 1
Unit	13- Division
Lesson 1 synchronous Task- Resources	Topic: Making equal groups Learning objective : In this lesson, <ul style="list-style-type: none"> • Children will learn and understand about finding equal groups. They will practice finding and making equal groups in different contexts . Learning Outcomes:. By the end of the lesson, <ul style="list-style-type: none"> • Children secure the idea of making equal groups and understanding of the link between the concrete, pictorial and abstract representations of equal groups. Zoom lesson <ul style="list-style-type: none"> • Power point Presentations, (SELF-EXPLANATORY/ CHILD-FRIENDLY) • Videos, • Mathematics work sheet.
Lesson 2 Synchronous Task Resources	Topic: sharing equally Learning objective: In this lesson, <ul style="list-style-type: none"> • Children will develop their understanding of ‘sharing’ as a model of division. They will share a number of objects into equal groups. Learning Outcomes: End of this lesson, <ul style="list-style-type: none"> • Children are able to share numbers into equal groups. Can confidently explain why some numbers could be shared into certain equal groups and why some could not. Zoom lesson <ul style="list-style-type: none"> • Power point presentation • Video: link Mathematics note book
Lesson 3and 4 Synchronous Task	Topic: Solving word problems Learning objective: In this lesson, <ul style="list-style-type: none"> • In this lesson, children will use all the strategies they have learnt to solve simple word problems based around division. Learning Outcomes: End of this lesson, <ul style="list-style-type: none"> • Children can confidently understand finding of equal groups and sharing through these questions.

Resources	Zoom lesson <ul style="list-style-type: none"> • Power point presentation • Video: link Mathematics note book
Lesson 5 Asynchronous Task Resources	Topic: Recapitulation of the topic Morning Task- Google Classroom <ul style="list-style-type: none"> • Power point Presentations, • Mathematics note book
