

YEAR 6 – FRENCH

Subject	French
Class/ Division	year 6 A-F
Week	7 March 14th to 18th March. '21
Work sent to students via	GC
Total number of lessons per week	2
Unit	Revision of numbers.
Lesson 1 and 2	Learning Objective. To revise numbers from 0 to 100
Task	Outcome. Students will recall, write, pronounce and use numbers correctly. In a zoon lesson, teacher calls out numbers in English and at random, students say the number in French with its pronunciation in French also. Teacher may equally call out any student to say a number in English and the student calls on any other student to say the number and pronounce it in French.
