Task	<p>Task 1: Write the key terms in the notebook (To be done during GC session)</p> <p>Task 2:</p>

Resources	<p>Jacob is carrying out psychological research into the role of rehearsal in memory. He gives his participants a word list to learn and later recall under different conditions. Jacob uses a repeated measures design. Jacob gathers and analyses quantitative data in his study. How could the validity of Jacob's results be affected by the use of a repeated measures design? Why did Jacob use quantitative data in his study? (To be done during Asynchronous Session)</p> <p>TB. Psychology Book Edexcel GCSE (9-1) 1 pp. 139-140</p>
