THIS IS ONLY FOR NEW COVID-19 POSITIVE CASES AND NOT THOSE WHO HAVE RECOVERED FROM COVID.**

#### **RETURN FOR THE NEXT ACADEMIC YEAR 2021-2022 :**

**THE FINAL DEADLINE FOR RE-REGISTRATION WAS 15<sup>TH</sup> MAY 2021. WE WILL NOW CONSIDER THAT WHERE RE-REGISTRATION FEES HAVE NOT BEEN PAID THAT THOSE CHILDREN WILL NOT RETURN FOR THE NEXT ACADEMIC YEAR 2021-2022 AS WE HAVE TO CONFIRM OUR NEW ADMISSIONS FOR THE NEXT ACADEMIC YEAR.**

**PLEASE TREAT THIS WEEKEND AS THE ABSOLUTE LAST & FINAL DEADLINE FOR THE PAYMENT OF OUTSTANDING FEES AND RE-REGISTRATION FEES. We will be proceeding with new admissions from the following week based on those who have not been re-registered.**

**RELEASE OF FINAL EXAMINATION ANSWER SCRIPTS :** The FINAL EXAMINATION ANSWER SCRIPTS/FORMS will be released from the 6<sup>th</sup> of June 2021 onwards to students so that students and parents may view the same. **We will not be releasing these to any students who still have OUTSTANDING FEES with the school.**

**OUTSTANDING FEES FOR THIS ACADEMIC YEAR :** We are at a time junction of having gone past ALL DEADLINES for fee payments but we still have a large number of students with outstanding fees. We are urging all parents who have not yet cleared these outstanding fees to do so IMMEDIATELY. ### **CHOICE OF SUBJECTS FOR YEAR 9 FOR THE NEXT ACADEMIC YEAR ( CURRENT YEAR 8 STUDENTS )**

: It is that time of the year when we would ask you to reflect with your children on their subject choices for the next academic year. We are providing you with the options in this circular so that children may begin thinking about their choices and you as parents could seek information from professionals or relatives about onward subject pathways or career paths. We will of course be having an orientation for the students after the Final Exams but the final choices must be made on an official form that we will provide no later than the 8<sup>th</sup> of June 2021.

**YEAR 7 GL SCIENCE EXAMINATION :** Parents are hereby notified that the Year 7 Science exam scheduled for 30<sup>th</sup> May 2021 will be a regular school exam in the format that students are answering examinations in as there is no GL Science Exam for Year 7 students. There is no change to the portion and all other content remains the same.

**REGULAR LESSONS FOR ALL YEAR GROUPS UNTIL THE 29<sup>TH</sup> OF JUNE 2021:** We would like all parents to be aware that regular lessons will continue through the month of June and attendance is mandatory .

For **Years 1-8-** Core subjects ( English, Math, Arabic and Science ) will focus on covering those critical gaps in learning so that we can optimize learning outcomes and ensure that students transition with limited challenges into the next year.

**YEARS 9-12-** Teachers will chose key content from the next Year to begin working with. Please be informed that the content/ topics/ modules will not be repeated in the following year. Teachers will also cover KEY GAPS in learning simultaneously so as to avoid an academic struggle next year.

**YEAR 13-** Teachers will be covering key skills that students will require for their first year at university with a large focus on research skills as well as insightful information on the consequences of plagiarism. We will also be covering a host of themes associated with the Expo 2020 for ALL CLASSES as this is going to be a major area of focus for the education sector for the next Academic Year.

In addition we will be having celebration days for the students related to culture and environmental awareness with a view to larger student engagement.

## **SOCIAL STUDIES BOOK 3 FROM MOE AVAILABLE FOR COLLECTION FROM IRIS INTERNATIONAL:**

Parents who had paid for and ordered MOE Social Studies text books are hereby informed that Book 3 was just released by the MOE and is available for collection from our book distributors. Please use the link on the school website to make an appointment for collection.

**YEAR 11 AND 13 GRADING ARRANGEMENTS AND EXAMINATION POLICY:** Parents are reminded to please check the circular that was sent about grading arrangements for Year 11 and 13 on the 27<sup>th</sup> of April 2021. We have also uploaded a more detailed Examination Policy in this regard and we had sent it to the SIMS Parent Apps earlier this week.

**VIEWING OF MOCK EXAMINATION ANSWER SCRIPTS FOR YEARS 11 AND 13:** We had organised the viewing of Mock Examination answer scripts for students of years 11 and 13 this week. Students who do not have any outstanding dues and were not able to make it this week are requested to send an email to Ms. Lise-Ann and she will provide you with information about another date when you can view your answer scripts.

**SOCIAL MEDIA NOT RECOMMENDED FOR PRIMARY CHILDREN :** Parents are requested to kindly make sure that Primary Children are not using Social Media as they are well below the statutory age to hold these accounts. We have also noticed that many children as young as Year 4 have their own whatsapp accounts and we at St. Mary's highly discourage this practice as the children are not mature enough to handle these and often wind up in difficult conversations with their peers that might cause potential problems for parents if these are flagged to any local authority for their impropriety.

## **SOCIAL MEDIA FREQUENT CHECKS BY PARENTS FOR SECONDARY CHILDREN :**

Parents of secondary children are strongly encouraged to kindly make frequent checks of your child's use of Social Media. We have seen in many cases that minor children are being sought out on Instagram, Snapchat and other platforms by much older individuals for chats and conversations. It is important for parents to know who their children are conversing with to protect them from any potential safeguarding issues. We would also like to remind parents about your children's use of inappropriate content and language on Social Media Platforms which you will be aware of only if you make frequent checks of the same. Please have your child remove himself/herself from private social media groups that are not encouraged or recommended by us at St. Mary's. The school cannot take responsibility for private groups started by students and we strongly discourage the formation of these groups as well as discourage student participation in them. It is once again important here that ALL PARENTS check your children's digital activity frequently including group activity if your child is part of private groups created by students.

**ADMISSION TO YEAR 12 FOR THE ACADEMIC YEAR 2021-2022 –PARENTS OF YEAR 11 STUDENTS:** ( This was shared in the circular of 19<sup>th</sup> September 2020 as well as in all circulars from 11<sup>th</sup> February 2021, and is being shared again since there are many queries regarding admissions to A-Level )

We would also like to bring to your attention that under the British system, a student completes high school with the completion of his/her O-Level. **Hence the admission to A-Level is then a process of a 'NEW ADMISSION'.**

**We would like to point out very clearly , that admission to A-Level is not automatic.**

The conditions for a student to be considered for a place in A-Levels are as follows.

- **SHOULD HAVE AN EXCELLENT BEHAVIOURAL RECORD**
- Must opt for 4 subjects with a high grade average in the subjects opted for.
- Admission will be merit-based.
- Hold a high grade average in ALL SUBJECTS ( Internal Exams ) in Year 11
- Should have not had any serious or repeated disciplinary issues over Years Nine through Eleven.
- Should not have engaged in activities, in or out of school, which tarnish the reputation of the school.
- **Hold a minimum attendance record of 95%**
- **Be prepared for an entrance exam in the subject opted for that has not been taken at O-Level.**

**Please check the school website shortly for admission forms to A-Level.**

**COMPETITION AND PROGRAMME PARTICIPATION UNDER DL SECTION OF OUR WEBSITE:** We would like to invite you to please check this new section we have added for many interesting programmes and competitions that the children can participate in.

**DL SECTION ON OUR SCHOOL WEBSITE:** We would like to remind ALL parents to kindly visit the DL section on our school website as we have been updating it with many useful links , documents, vital information for keeping your children safe online, tips on well-being and mindfulness to name a few. We are sure that you will find these useful and we will keep updating this section as often as we can.

**EXPO 2020 SECTION ON OUR SCHOOL WEBSITE:** We would like to invite you and your children to browse this section regularly as we will keep updating it with interesting and relevant resources for the children.

**SCHOOL EMAIL ID TO BE USED EXCLUSIVELY FOR SCHOOL WORK:** Students **MUST NOT USE** the school email ID credentials to register on any gaming website or third party eBook websites etc. Students should be very careful when visiting any website they are unsure of as there is the potential possibility of clicking on pop ups which could lead to inadvertently sharing information from a child's device to the linked pages. If any student or parent finds any unusual activity happening with your school email ID, kindly forward the same to IT support on their email and they will look into the matter immediately.

**STRONG PASSWORD TO BE SET FOR SCHOOL EMAIL ID & NO SHARING OF PASSWORD WITH OTHER STUDENTS:** It is imperative that parents of students ( especially years 4-8 ) ensure that your child has set a strong password for his/ her school email. Moreover we have observed that many students are sharing their passwords with their classmates and we would like you as parents to remind them that this is STRICTLY FORBIDDEN. Please explain to them the potential issues they could face if they share their email passwords with friends/ classmates.

We wish you safe days ahead with blessings of good health for one and all.

Yours sincerely,

Mr. Paul Asir Joseph  
( Principal )
