

**Year 7-SCIENCE**

**DISTANCE LEARNING WEEKLY PLAN**

Subject	<b>Science</b>	<b>Mode of teaching</b>
Class/ Division	<b>Year 7 A-F</b>	
Week	<b>Term 2 Week-33 (2<sup>nd</sup> May to 6<sup>th</sup> May)</b>	
No. of lessons	4	
Unit	<b>Revision</b>	
<b>Unit -Rocks</b>	<p><b>Rocks and their Use ,Kinds of Rocks &amp; Rock cycle</b>  <b>Learning Objectives:</b> Recap Rocks and their uses                  Know different kinds of rocks, Learn rock cycle  <b>Learning outcome:</b>                  List the main uses of rocks                  Explain features of different kinds of rocks                  Describe Rock cycle</p> <p><b>Task</b>                  1. List some of the main uses of rocks.                  2. Make a table of different kinds of rocks and with their features .</p> <p><b>Resources</b>                  Active learn Text Book Exploring Science 8                  Active learn presentation(will be Provided by the teachers)</p>	<b>Zoom Session</b>
<b>Lesson 2</b>	<p><b>Chapter: Current and Electricity</b>  <b>Learning Objectives:</b> Know the electrical components and their symbols.                  Know series connection and parallel connection                  Unit of current  <b>Learning outcome:</b>                  Be thorough with electrical components and how they are represented.                  Understand the correct usage of series and parallel connection                  Know how to measure current.                  Active learn Text Book Exploring Science 7                  Active learn presentation, Work sheets.PPT(provided by teachers)</p>	<b>Zoom Session</b>
<b>Lesson 3</b>	<p><b>Chapter Inheritance</b>  <b>Learning Objective:</b> Define Inheritance  <b>Learning outcome:</b> Solve analytic questions in Inheritance</p> <p><b>Task</b>                  Solve the given questions in Inheritance</p> <p><b>Resource</b>                  Active learn Text Book Exploring Science 7                  Active learn presentation, Work sheets.(Provide by the teachers)</p>	<b>Zoom session</b>
<b>Lesson 4</b>	<p><b>Revision</b>                  Answer all the Revision work given, Clear all doubts pertaining to the topics.</p>	<b>Google class room</b>

**Note:** Revise as many work sheets as possible for the preparation of GL exam.
