

Year 4 Mathematics	
Class / Division	Year 4 A to F
Week	Term 2 Week Twelve (9th to 10th May)
Work send to students via	Google classroom/ Zoom
Total number of lessons	2
Topic	Revision – Four Operations (Addition, Subtraction, Division & Multiplication) Fractions
Lesson 1 Four Operations (Addition, Subtraction, Division & Multiplication)	<p>Learning Objective Choose an appropriate method to add, subtract, multiply, divide Solve real life word problems.</p> <p>Learning Outcome Children will be able to</p> <ul style="list-style-type: none"> ➤ Use different methods (mental/written) to add, subtract, multiply or divide ➤ Solve word problems on add, subtract, multiply or divide
Task	Solve word problems on Addition, Subtraction, Division & Multiplication
Resources	Slides/PowerPoint presentation
Lesson 2 Fractions	<p>Learning Objective Find fractions of amounts Identify/make equivalent fractions Simplify fractions Add/Subtract fractions with same denominator</p> <p>Learning Outcome Children will be able to</p> <ul style="list-style-type: none"> ➤ Find/make equivalent fractions. ➤ Simplify fractions. ➤ Add/Subtract fractions. ➤ Solve problems related fractions in everyday life
Task	Find Fractions of amounts, total fractions, find/write equivalent fractions, simplify fractions & solve real life word problems based on fractions.
Resources	Slides/PowerPoint Presentation
