

OUR REF : .....

TRN : 100483609200003

DATE: Thursday, 1<sup>st</sup> July 2021

**To: Parents of students from Year One to Year Thirteen (END OF YEAR CIRCULAR - JUNE 2021) and PARENTS OF NEWLY ADMITTED STUDENTS TO THE SCHOOL.**

Dear Parents,

**Greetings from St. Mary's Catholic High School.** It has been a very different year for all the families who belong to our larger Marian Family and we would like to take this opportunity to say a heartfelt thank you to all of our children, our parents and our teachers and staff for your extraordinary collaboration and support and your positivity through this year. Please read on for important information and updates. **WE REQUEST ALL PARENTS TO CHECK THE WEBSITE REGULARLY AFTER THE 10<sup>TH</sup> OF AUGUST 2021.**

**IN MEMORIAM:**

As we come to the end of this academic year and we pause to reflect and be grateful for our many blessings, we would like to ask all our Marian families to offer up a special prayer for the eight 'superhero dads' who we sadly lost. Please remember their families as they continue to face these difficult losses and let us pray for God's gift of strength and courage for them.

**RE-REGISTRATION FOR THE NEXT ACADEMIC YEAR 2021-2022:**

We have been following up on re-registrations over the last two and a half months and would like to thank those parents who have respected these deadlines. Parents who have not re-registered their children for the next Academic Year must now apply for a Leaving Certificate by filling out the form available on the school website.

**RE-EXAMINATIONS 24<sup>TH</sup> AUGUST 2021:**

The Re-examinations will be conducted on the 24<sup>th</sup> of August 2021 at 10:00 am via a Google Form and a Zoom link. These will be sent to the student's official school email ID and students having a re-exam MUST be present and ready for the same at the scheduled time of 10:00 am on the 24<sup>th</sup> of August 2021.

### **HOLIDAY HOMEWORK PROCEDURES AND SUBMISSION:**

The Holiday Homework will be emailed to each child to their official school email ID by the child's class teacher on the 2<sup>ND</sup> of July 2021. We will not send this if there are outstanding dues. Parents must ensure that the Holiday Homework is done over the holidays and not at the last minute just before submission. Holiday Homework has been given only to those children whose GL scores were found to be exceedingly low and therefore the homework and subsequent practice will help them fill in those critical gaps in learning.

### **TEXT BOOK ORDERS AND PURCHASE FOR THE NEXT ACADEMIC YEAR 2021-2022:**

The Book circular has been attached to this Year End circular for you to read carefully. The Ministry books for Arabic, Social Studies, Islamic Studies and Moral Education have not been included at this time as the MOE has not released pricing or a list of books. These will be available for order at a later stage only once the MOE has made the list available to schools.

### **RE-OPENING FOR THE NEXT ACADEMIC YEAR 2021-2022:**

**The Academic Year will begin from the 29<sup>th</sup> of August 2021 for all students from years One through Thirteen.** We understand that as parents you will have concerns with what this re-opening is going to look like. We will be sending all parents a survey TODAY which we would appreciate you filling in at the earliest. Please check the school website and your SIMS PARENT APP( App is for current parents only ) for the link. **There will be two survey links : One for current students and one for New Admissions.** The organisation of schooling next year has not been decided by the regulators. We will follow government/KHDA regulations regarding in-school/ or blended learning protocols, including protocols regarding social-distancing, and class sizes. As per the current protocols and with a view to maintain EQUITY across the entire student body, the school is not in a position to offer 100% face-to-face learning every day. Options will potentially be between **FULL DISTANCE** or **BLENDED LEARNING**. Years 1, 2 and 3 will have a regular school day during regular school hours, irrespective of the learning model chosen. Younger students have been using technology very successfully throughout this year and we now encourage parents to spend some time in the summer to help them hone these skills to a more independent use of the technology.

### **SCHOOL OFFICE CLOSURE:**

The school office will be closed from the 6<sup>th</sup> of July 2021 until the 8<sup>th</sup> of August 2021 ( inclusive ). **The timings for 3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup> of July 2021 will be from 8:00 am to 12:30 pm.** We will be having electrical maintenance work carried out on the premises during this closure and so the premises will be completely closed. The office closure includes emails to all members of the school's leadership and administration as well. Emails received until the 5<sup>th</sup> of July will be replied to. After that, parents are requested to kindly email any queries or concerns after the 9<sup>th</sup> of August 2021. Please note that those parents who clear outstanding fee dues during the period of office closure will receive receipts and

report cards only once the office resumes. The office will resume working from the 9<sup>th</sup> of August 2021.

**Parents of New Admissions however must continue to email copies of the Leaving/Transfer Certificate as soon as you receive it from your child's school.**

**Email these copies only to [arabicsec-smchs@smgeducation.org](mailto:arabicsec-smchs@smgeducation.org)**

**PEARSON EDEXCEL RESULTS FOR YEARS 11, 12 ( IAS ) AND 13:**

Students from Year 13 will receive their results on the 10<sup>th</sup> of August 2021 and Year 11 students will receive their results on the 12<sup>th</sup> of August 2021. Parents are advised to kindly follow the school website for further updates on Pearson Edexcel Results.

**TRAVEL DECLARATION:**

In order for the school to be compliant with the UAE Covid-19 travel requirements, please click on the official DHA link ( available on website ) and answer the relevant questions even if your child has not travelled. This form is **MANDATORY and has to be filled for ALL STAFF and STUDENTS TEN DAYS PRIOR TO THE RE-OPENING OF SCHOOL.** The email required to be filled in the field on the form is: [traveldecl-smchs@smgeducation.org](mailto:traveldecl-smchs@smgeducation.org)

**Payment of Term Fees:**

**All FIRST TERM FEES MUST be paid via the SKIPLY APP or a direct Bank Transfer between the 25<sup>th</sup> of August and the 29<sup>th</sup> of September 2021. First Term fees that are not paid by the 29<sup>th</sup> of September 2021 will then be considered as OUTSTANDING. Please respect the fee payment deadlines. There are NO CHANGES to the FEE STRUCTURE for the next academic year 2021-2022. There has been no fee increment and the fees for all year groups stand the same as the current year. You can find the fee table on the school website shortly.**

The school's RAK Bank account is mentioned below:

Account Name: **St.Mary's Catholic High School**

Account No: **0182154991001**

IBAN No.: **AE860400000182154991001**

Bank: **The National Bank of Ras Al-Khaimah**

SWIFT CODE: **NRAKAEAKXXX**

Once a transfer has been made, please share the transfer details, the student name, Year & section and student's SIMS ID number through email to [fee-smchs@smgeducation.org](mailto:fee-smchs@smgeducation.org)

**School Uniform- (THERE IS NO CHANGE TO THE SCHOOL UNIFORM):**

We will send you further information on school uniforms in the month of August 2021.

**BOARD EXAMINATION FEES:** We would like you to be informed well in advance that EDEXCEL LONDON BOARD EXAMINATION FEES will be collected in the month of NOVEMBER 2021 for students in years ELEVEN and THIRTEEN. We trust that this will help you to budget accordingly. You can check your KHDA Parent-School contract for the BOARD EXAM FEE AMOUNT for each year group.

**RECOMMENDATION LETTERS:**

Parents whose children require recommendation letters from teachers are reminded that these will only be available after the 25<sup>th</sup> of August 2021.

**APPLICATIONS FOR LEAVING CERTIFICATES YEARS 1-10 & 12:**

While we have already issued Leaving Certificates to parents who had requested for these, please note that additional requests for LEAVING CERTIFICATES must be made latest by 3<sup>rd</sup> July 2021. Leaving Certificates cannot be issued during the period of office closure.

**APPLICATIONS FOR LEAVING CERTIFICATES YEARS 11&13:**

Parents of students in Year 11 and 13 are reminded that Leaving Certificates must be applied for but can be issued only after Pearson Edexcel Results are issued in August 2021. Please note that the process is not immediate as results have to be approved by KHDA. Students in Year 13 have to apply for a leaving Certificate by filling out the form available on the school website.

**APPROVED KHDA CALENDAR FOR ACADEMIC YEAR 2021-2022:**

Parents are requested to check the approved KHDA School Calendar for the Academic Year 2021-2022 that has been attached to this circular for your easy reference. This will help you plan ahead. If the regulators make any changes to the same we will inform you immediately.

**ORIENTATION FOR PARENTS AND NEW STUDENTS OF YEARS ONE, TWO THREE & FOUR ( This is applicable only to newly admitted students for the next academic year ) :**

There will be an Orientation Meeting before the start of the Academic Year and we will post details for the same on the school website later in August 2021. This will be remotely held as we cannot have large gatherings on the premises. You will be given some orientation about the school's expectations from parents. You will also be introduced to your child's class teacher and you will have the opportunity to settle any doubts you might have.

PARENTS OF STUDENTS JOINING OUR SCHOOL ARE REQUESTED TO KINDLY SEND THE COPY OF THE LEAVING CERTIFICATE AS SOON AS YOU RECEIVE IT (NO LATER THAN 10<sup>TH</sup> AUGUST 2021) FROM YOUR CHILD'S CURRENT SCHOOL TO [arabicsec-smchs@smgeducation.org](mailto:arabicsec-smchs@smgeducation.org) Parents of students joining SMCHS for the next Academic Year are requested to kindly keep in touch with all updates on our school website.

Write to Lise-Ann on [l.pinto-smchs@smgeducation.org](mailto:l.pinto-smchs@smgeducation.org) if there is something particularly urgent.

We take this opportunity to wish you a Happy and Safe Summer Holiday ! God Bless you all! We hope that you will all get to spend some restful and meaningful quality time as families. We would also like to express our deepest gratitude for your unwavering support and love through the year. Your kindness and caring has been deeply appreciated.

Yours sincerely,

Mr Paul Asir Joseph  
(Principal)

TRN: 100483609200003

DATE: Thursday 1<sup>st</sup> July 2021

**To: Parents of students from Year Two to Year Eleven -2021-2022( currently years1 – 10 )**  
**ORDERING BOOKS FOR THE NEXT ACADEMIC YEAR**

Dear Parents,

**Greetings from St. Mary's.** We have been working hard over the last many weeks with our local book suppliers as well as International Book suppliers to ensure that books will be shipped from the UK despite the trials of delivery and distribution being experienced due to the Global Pandemic.

Books must be ordered and paid for directly via the portal of our suppliers Periwinkle International and they will be arranging delivery of the same directly to your residence as we cannot have any kind of crowding on the premises keeping in mind the health and safety of one and all.

**The class teacher ( current year ) will send the login credentials ( username and Password) by Tuesday, 6<sup>th</sup> July 2021 to your child's school email ID.** Please check this without any delay. The guidelines to follow and place the book order will be sent with the login credentials.

**You are not compelled to purchase books through the school and you are free to use the book list to source second hand books as well.**

**KINDLY ALSO NOTE THAT EVEN IF YOU ARE NOT PURCHASING ANY BOOKS THROUGH THE SCHOOL, THE ACTIVE LEARN DIGITAL PLATFORM and LEARNING LADDERS ARE AN INTEGRAL PART OF THE DAILY TEACHING AND LEARNING AND PROGRESS TRACKING. ( THE ACTIVE LEARN DIGITAL PLATFORM FOR YEARS 1-6 INCLUDES HARD COPIES OF MATH and SCIENCE TEXT BOOKS )**

Students who are leaving St. Mary's may ignore the email and relevant book circulars.

For students with outstanding dues, please note that purchasing books does not ensure a seat for next year. All outstanding dues must be paid for in full for re-registration for the next Academic Year 2021-2022.

All stationery and notebooks will also be delivered along with the text books provided payment has been made towards the Active Learn and Learning Ladder Digital Platforms.

### **ACTIVE LEARN/ ACTIVE TEACH& LEARNING LADDERS**

The school uses the Pearson 'Active Learn' an E-Learning pedagogy . This is supported by an online platform wherein students will be given a password and download instructions. Students will require a desktop computer or a tablet or a laptop and printing facility at home. Learning Ladders is being used to track student's progress against specific learning objectives and will give both children and parents a clear idea of the progress that children are making. Kindly note that the payable amount for 'Active Learn' and 'Learning Ladders' has also been included on each booklist.

**ALL PAYMENTS FOR BOOKS AND THE ACTIVE LEARN  
ONLINE PLATFORM & LEARNING LADDERS MUST BE  
MADE BETWEEN THE 7<sup>TH</sup> AND 14<sup>TH</sup> OF JULY 2021 ONLY.  
NO ORDERS CAN BE PLACED AFTER THE 14<sup>TH</sup> OF JULY  
2021 AS THIS WILL IMPACT THE DELIVERY OF THE  
ENTIRE SHIPMENT.**

**KINDLY BEAR IN MIND THAT BOOKS WILL NOT BE AVAILABLE AT A  
LATER DATE IF A PAID ORDER HAS NOT BEEN MADE AS THESE  
BOOKS ARE BEING SHIPPED DIRECTLY FROM THE UK, BASED ON THE  
ORDER MADE BY PARENTS. ALL THE ORDERED BOOKS WILL BE  
DELIVERED BEFORE 29<sup>th</sup> OF AUGUST 2021.**

Yours sincerely,

Mr. Paul Asir Joseph  
( Principal )

Thank you

The year has sped by all of us  
You didn't grumble or ever fuss  
We are grateful to you mums and dads  
For the love and patience you have had  
You kept your children safe and sound  
We wish you blessings so profound  
To our kids we raise our hands in praise  
For adapting to the 'new normal ways'  
For upholding the Marian Values high  
And facing challenges without a sigh  
We all walked this journey together  
Braved every storm and the worst kind of weather  
A prayer for all who have suffered pain  
May blessings be showered like the soft falling rain  
Thank you to each and everyone  
You're wished a safe summer that's filled with fun

**ST. MARY'S** *Catholic High School, Dubai*

مجموعة عمل الإمارات للبيئة  
EMIRATES ENVIRONMENTAL GROUP

## Non Member Rules, Regulations and Procedures

- The project will be held from **1<sup>st</sup> June 2021 – 30<sup>th</sup> September 2021**.
- We encourage you (our student members) to run a small Recycling Collection Campaign during the summer months to involve yourself in “Local Action for Global Change.”
- As part of this unique programme participants are supposed to complete three separate tasks:
  - 1) Prepare a flyer
  - 2) Engage your community
  - 3) Meet the targets
- Every participant needs to follow these 4 steps:

### **Step 1**

Click on the link provided on the email to register yourself as part of the programme. Fill out your details and mention which items you will be recycling.

### **Step 2**

Once you have registered, prepare a poster that you will use to engage your community and motivate them to recycle. The poster **must be prepared on PowerPoint** and it should be sent to EEG for approval and after which we will place the logo of EEG and send it back to you to enable you to circulate and distribute amongst your neighbours.

### **Step 3**

You can now start collecting your material by engaging your neighbours and community to support your cause! You will have a **2 week period** from the date of your first submission to complete your target. An excel form will be provided to each student to log the quantity and contact information of every family you wish to engage. Please note that every participant **must contact 20 families** and have their signatures filled in as per the form provided (Mandatory to fill).

### **Step 4**

Ensure that you collect the materials and meet the targets of whichever material/s you have chosen as per the table below and deposit them at the EEG office during working hours.

Recyclable Material	Amount to be Collected
Paper	550 kg
Mobile Phones (and tablets)	50 pcs
Aluminium Cans	45 kg (75 pcs/kg)
Plastic	55 kg
Toner	50 pcs
E-waste	550 kg

# EEG

مجموعة عمل الإمارات للبيئة  
EMIRATES ENVIRONMENTAL GROUP

- Students who are able to collect the targeted amount, submit their flyer and complete the form will be issued a Certificate of Participation stating that the student has participated in EEG's Neighbourhood Recycling Project and a tree/(s) will be also be planted under the student's name at the Annual tree planting activity in December.
- Should you be able to surpass the targets, you would become eligible to plant multiple trees under your name e.g. 550 kg paper = 1 tree; 1,100 kg of paper = 2 trees and so on.
- **The student who is able to collect the highest amounts in the individual categories will be awarded a special mounted certificate after the project for time by EEG.**
- Students who are able to fulfil the required amounts will also be required to write a testimonial (50 words) about their experience during the summer.
- EEG will include a write up on the Neighbourhood Recycling Project, taking into account the testimonials submitted by its students, and will choose from the highest performing students on its social media handles.

**Students must comply with government protocols and wear Facemasks and Gloves while reaching out to their neighbours.**

# **ADNOC STEM FOR LIFE 2021 SUMMER CAMPS ENERGY FOR THE FUTURE**

**Explore a world of energy and  
develop future skills this summer  
with our two exciting STEM camps!**

شركة بترول أبوظبي الوطنية  
Abu Dhabi National Oil Company

# STRETCH YOUR MIND THIS SUMMER WHILE ENGAGING IN EXCITING CHALLENGES THAT PREPARE YOU FOR THE FUTURE

Join our STEM for Life camps this summer to explore a world of energy! Learn about industry trends, coding, geology, sustainability and much more. You will also get the chance to meet experts from ADNOC and learn about their work. Both camps are free, require easily accessible materials and can be completed from home.

## ABOUT THE CAMPS

### Mission Digital Energy Camp (25 July - 5 August 2021)

Why settle for a one-world experience when you can also build your own virtual world and showcase it?

Mission Digital Energy is a two-week virtual summer camp that will take place in a Minecraft world built by you and your friends.

You will be challenged to explore, design, build and code as you work to unlock the challenges of Mission Digital Energy. Are you up for the challenge?

At the end of this camp, you will create a cinematic production that tells the story of your virtual world. We can't wait to see what you create!

### Energy Camp (8-19 August 2021)

Energy is all around and within us! The sounds you hear, the colors you see, the motion of things - did you know that this is all energy in action?

Energy Camp is a two-week hands-on exploration of how we harness different forms of energy to get things done in the world.

Energy is an important concept in every field: physics, chemistry, biology, math, computer science, cryptography and more. In this camp, you will explore energy in all its forms.

Where does your energy come from? Join us to stretch your mind while enjoying the exciting activities that we have in store for you!

### Energy Camp (8-19 August 2021)

Students will get a participation certificate from ADNOC for every camp that they successfully complete on time. Exciting prizes will be awarded, and we can't wait to reveal them! Stay tuned for more details. Contact us at :

Energy Camp requires access to a computer or tablet.

# STEM FOR LIFE 2021 SUMMER CAMPS

## FREQUENTLY ASKED QUESTIONS

### What are the STEM for Life 2021 Summer Camps?

The STEM for Life 2021 Summer Camps are two camps that run over four weeks for middle and high school students in the UAE and abroad. Students will learn about exciting STEM career paths, including engineering, geology, computer science, sustainability and design. They will also develop their coding, collaboration, problem solving, communication and critical thinking skills.

### What are the dates?

Mission Digital Energy Camp runs 25 July - 5 August 2021

Energy Camp runs 8-19 August 2021

### Where do the summer camps take place?

The camps take place at your home. Students can share their work and engage with other participants through [adnocstem.ae](https://adnocstem.ae).

### How much does the program cost?

All ADNOC STEM for Life programming is free.

### Can students participate in both camps?

Students are welcome to participate in one or both camps.

### My kids are different ages. Can they all participate?

The camps' activities are for youth aged 8-16. Most activities can be leveled up or down to accommodate the ability and skill levels of different ages.

### How much time do students need to allocate to each camp?

The camps take place Sunday through Thursday. Students should allocate 2-4 hours per day to complete the activities. Students can complete these activities at whatever time of day is most convenient for them.

### How do students access the camps?

The camps' content will be posted on [adnocstem.ae](https://adnocstem.ae).

### Who are the instructors?

The ADNOC STEM for Life team will hold office hours three times per week on Zoom to introduce the camps' challenges and keep students on track.

### How will students know what to do?

Each camp comes with an activity booklet that includes easy-to-follow directions that tell students exactly what to do.

### Will students get certificates for participation?

Students will get a participation certificate from ADNOC for every camp that they successfully complete on time.

Exciting prizes will be awarded, and we can't wait to reveal them! Stay tuned for more details.

### What materials do I need to acquire in advance?

Mission Digital Energy Camp requires access to a computer or tablet. Minecraft Windows 10 or Education Editions are preferred for coding projects. Java or Mobile Editions can be used as well. Students must purchase their own copies of Minecraft. Energy Camp requires access to a computer or tablet. It will contain activities that can be completed with basic office supplies and materials that you likely already have at home.
