“

The youth should play a key part in this mega event and get opportunities to observe, learn and contribute creative ideas so they can develop innovative solutions for creating a better future for our region and the world.

**His Highness Sheikh Mohammed Bin Rashid Al Maktoum**  
Vice-President and Prime Minister of the UAE and Ruler of Dubai

”

## EXPO SCHOOL PROGRAMME

World Expos are extraordinary mega events that celebrate human ingenuity, global collaboration, and collective solutions to global challenges. **Expo 2020 Dubai** will continue this tradition with the latest ideas that can power a vision of a better future. A historic milestone for the region, Expo 2020 is the first World Expo held in the MEASA region and coincides with the UAE's Golden Jubilee, celebrating our nation's achievements over fifty years.

The **Expo School Programme** is committed to ensuring that school students are an important part of this incredible World Expo. With an entire team dedicated to serving the UAE's schools across seven Emirates, the Expo School Programme engages with the UAE's school community, inviting them to join the making of a new world, a world without boundaries, a world filled with hope and optimism.

Through the theme of **"Connecting Minds, Creating the Future,"** we aim to make Expo 2020 a meaningful, fun and memorable experience for students and educators. More than 190 country pavilions, partner and organization pavilions will converge at Expo 2020, each showcasing achievements, innovations and aspirations to create a brighter future. Enjoy unique immersive experiences, discover a world of limitless connections, and experience the diversity of the world's cultures across three vibrant Districts: Sustainability, Mobility and Opportunity.

Our dedicated ticket for UAE schools will provide students access to inspirational pavilions and immersive journeys, aligned with diverse school curricula in the UAE and delivering extraordinary learning through this once-in-a-lifetime opportunity.

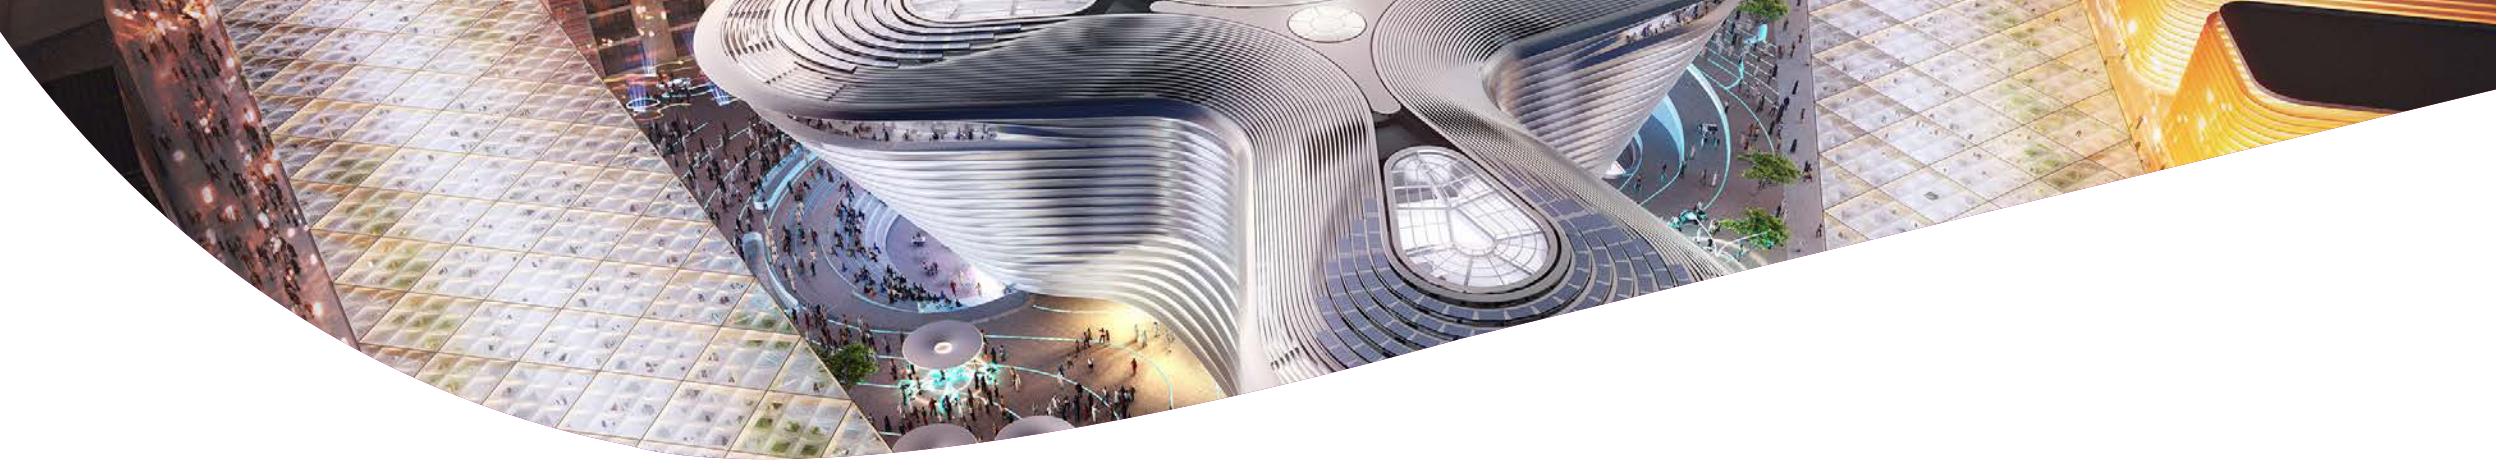

# FOUR INCREDIBLE SCHOOL JOURNEYS

Expo 2020 Dubai is proud to present four immersive educational journeys for schools, each designed to inspire students and ignite their creativity.

## UNIVERSE IN MOTION

**Travel through time and space to discover human progress through physical and digital realms.**

Embark on a journey across time and space to explore the evolution of movement, from ancient exploration to artificial intelligence.

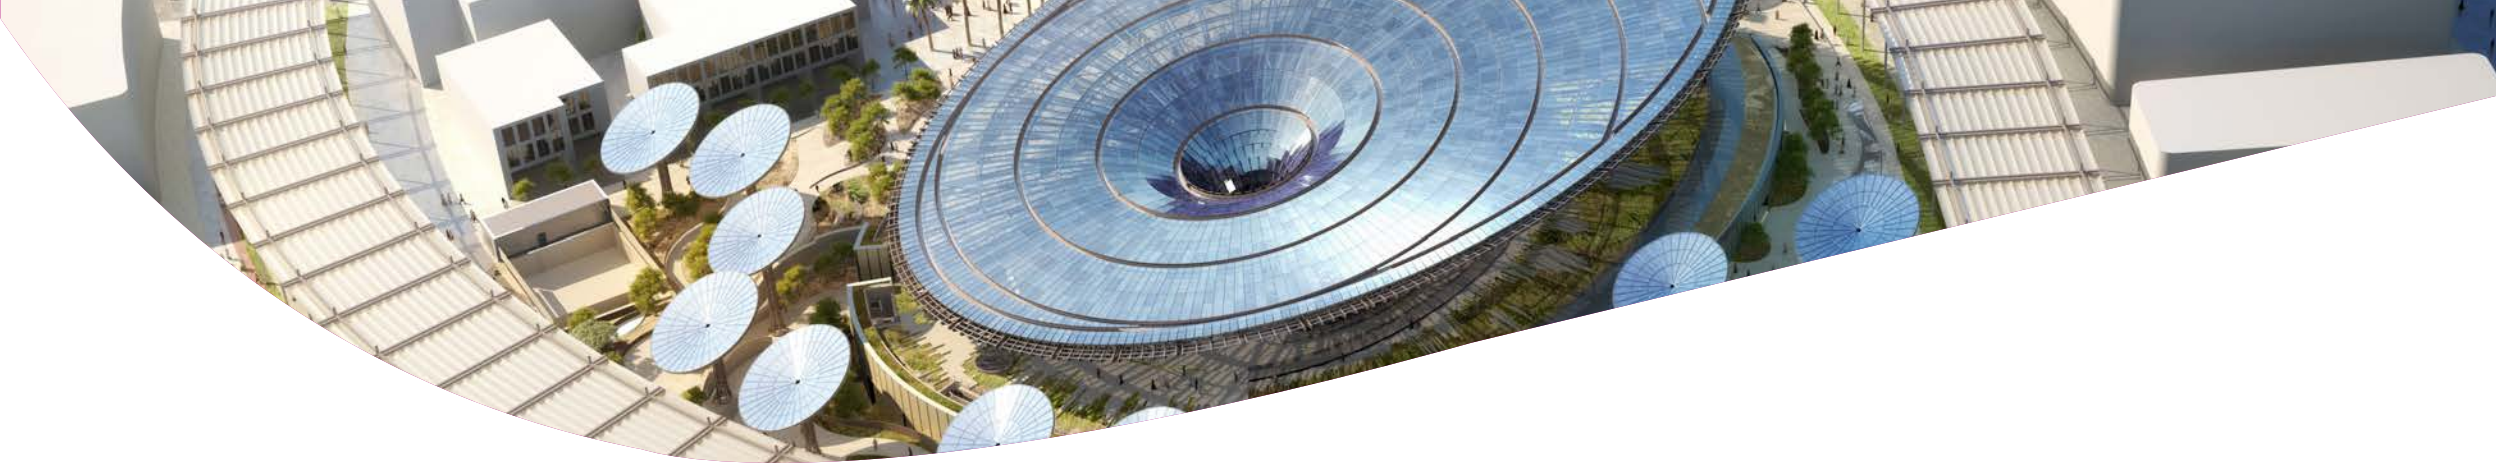

Venture into Alif - the Mobility Pavilion to meet historical giants of mobility in ninth-century Baghdad, step into a virtual world driven by data, and leap forward in time to explore the city of tomorrow where robots and artificial intelligence coexist with humanity.

## LEARNING OBJECTIVES:

Through '**Universe in Motion**' journey, students will:

1. **Explore** the movements of people, goods, and ideas within the physical and technological realms.
2. **Venture** across our dynamic world to experience the human spirit of adventure and exploration that link our past, present, and future.
3. **Reflect** on the ways through which people, goods, and ideas, move, and what it all means for a smarter, prosperous, happier future for everyone.

# SUSTAINABLE PLANET

Explore the beauty of our amazing planet and experience how our choices we make today affect the world of tomorrow.

Wander through forest roots or dive into the ocean depths to explore the wonders of nature at Terra - the Sustainability Pavilion.

Enter a dark cavern where a monstrous fish lurks among the plastic waste and picture our planet when humanity chooses to either save or neglect it. Discover global projects providing real life solutions to help preserve our planet for future generations and how you can play a part in creating a more sustainable world.

## LEARNING OBJECTIVES:

Through 'Sustainable Planet' journey, students will:

- 1. **Uncover** the hidden treasures of our natural world and see humanity's impact on the environment.
- 2. **Discover** how we can apply innovative technologies and creative ideas to help people and planet thrive in harmony.
- 3. **Reflect** on how our individual choices can re-balance the earth to generate a sustainable future for all species.

## WORLD OF OPPORTUNITIES

**Explore the impact of individual actions on the world and become positive agents of change.**

With inspiring stories to unlock and new ideas to uncover, students will embark on an interactive journey where they become positive agents of change.

At Mission Possible - the Opportunity Pavilion, they will learn how their individual acts will impact the whole wide world, starting from their own communities, in more meaningful ways than one.

## LEARNING OBJECTIVES:

Through '**World of Opportunities**' journey, students will:

1. **Unleash** the power of individual actions to generate wellbeing, prosperity, and happiness in communities around the world.
2. **Get** a sneak peek into a future of opportunity through explorations of education, careers, and resources in the decades ahead.
3. **Reflect** on our individual actions and think about how we can become positive agents of change in our communities and beyond.

# LEGACY OF THE UAE

Discover the UAE's rich history, vibrant culture, and ambitious future driven by the vision of its leaders.

Designed in the shape of a falcon in flight, the UAE Pavilion welcomes students to a space that is both mesmerizing and inspiring.

As a connected global hub and a cultural exhibition, the UAE Pavilion tells the nation's breathtaking story, its astonishing progress, its rich culture, as well as the vision of its leaders and their ambitious plans for the future.

## LEARNING OBJECTIVES:

Through 'Legacy of the UAE' journey, students will:

1. **Explore** the UAE through time and space, from distant past, to visionary future, from traditional settlements to modern metropolises.
2. **Discover** the UAE's rich history, vibrant culture, and ambitious future driven by the vision of its leaders
3. **Reflect** on the importance of unity, collaboration and innovation in the accelerated progress and development of a young and ambitious nation.

## COUNTRY PAVILIONS

Expo 2020 welcomes more than 190 countries to share their vision of the future. With stunning pavilions across three Districts, explore global perspectives around sustainability, mobility and opportunity. Our school journeys include a visit to at least one country pavilion. Here are some examples of what you might see:

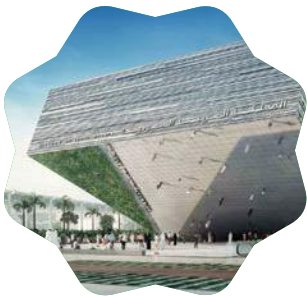

### PERU PAVILION

Travel on an emotional and sensory journey to explore Peru. Taste the Peruvian superfoods that are changing humanity's future, and see the real-time construction of the last Inca bridge, which is woven every year in Cusco.

### PHILIPPINES PAVILION

The natural, organic shape of the Bangkóta (coral reef) of the pavilion draws you into defined, free-flowing, open spaces, reflecting a culture that embraces openness, meaningful encounters, and connectivity.

### SAUDI ARABIA PAVILION

Balancing rich heritage and natural wonders with the energy, creativity and innovativeness of its people, the pavilion will demonstrate how Saudi Arabia is shaping both its own and the world's future.

### BRAZIL PAVILION

Discover the incredible diversity, from flora and fauna to arts and culture. The pavilion recreates the Amazon basin, taking in the sights, sounds and scents of Brazil's riverside areas.

# COVID-19 SAFETY AT EXPO 2020

## FOR SCHOOL GROUPS

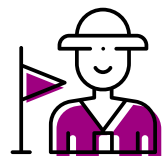

We look forward to hosting your school's visit to Expo 2020 Dubai. The Expo School Programme is committed to ensuring that every school group has a memorable, safe, and seamless field trip to Expo 2020.

We are taking extra precautions and implementing multiple measures to safeguard the health and safety of all school visits to the site.

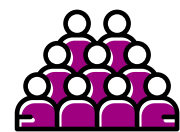

### PRE-VISIT

- Schools must ensure that the visiting students are symptom free of COVID-19 before they board the buses on the morning of the Expo visit

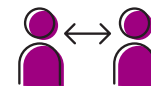

### EXPO TOUR GUIDES AND STAFF

- Each school group will be allocated 1 tour guide for the duration of their visit
- All Expo tour guides and staff members are required to be vaccinated, and undergo COVID-19 tests regularly

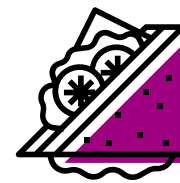

### SCHOOL GROUP SIZE

- School group sizes are limited to a maximum of 25 students to maintain social distancing

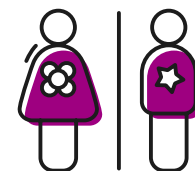

### SOCIAL DISTANCING & MASKS

- All visitors and staff are required to wear masks throughout the duration of the visits
- Social distancing measures are implemented as per government regulations
- Within school bubbles, distancing is encouraged between staff and students based on government regulations

### LUNCH TIME

- There are dedicated lunch spaces for school groups only in each district
- Lunch spaces consist of tables and benches, and will be setup as per the distancing regulations set out by government regulations
- School groups will be seated together, with distancing between each group as per the regulations
- Sanitization stations are available throughout the Expo site, and students will be asked to clean their hands before eating

### WASHROOMS

- All washroom cubicles are to be cleaned and sanitized every 15 minutes, and overcrowding is to be avoided meticulously

*This information could be subject to change based on government regulations*
