# SCHOOL'S OUT, SUMMER'S IN!

Dear Educators,

Summer fun has officially begun! While school books are packed away, our fun activities and workshops will keep you and your students entertained.

## EXPO CHAMPIONS JULY CHALLENGE

For our July challenge, we're collaborating with KHDA to bring you the #8weekstreak, a unique opportunity for you to explore a different Expo theme every week in your own way.

Whether your creation is about opportunity and mobility or sustainability, innovation and technology, make sure you tag us @expo2020schools with #8weekstreak and #Expo2020Champions for a chance to win a seasonal family pass to Expo 2020 Dubai.

Summer breaks are the best time to relax but they're also the perfect opportunity to catch up on some of our favourite online workshops like "Becoming a recycling champ", "2020 hours of code" and many more. All our workshops are available online for you to enjoy.
