10 marks each	10 MARKS	10 marks

All Assessments will be paper- based. Corrected Assessments will be given to students in the first week of November and will only be given to students who have completed all First Term Fee Payments (30th September 2022 is the deadline for all First Term Fee Payments). We urge parents to respectfully make timely fee payments and respect the 30th September 2022 deadline.

Assessment Time table will be different for every class and will be posted in your child’s GC by this weekend by your child’s class teacher. For years 11, 12 and 13, their subject teachers will let them know about tests.

ABSENTEES: If your child is sick , please email the class teacher and inform him/ her if your child is going to or has missed an assessment/s. Some re-assessments might be scheduled over the weekend and you will be informed of the day and time to bring your child in for the same.

Assessments will not be credited for leave that is not justified . This will impact children's academic progress and we urge parents not to schedule holidays during this time.

Students must not have any unauthorised material during an assessment – notes, chits of paper with written notes, any written notes concealed in the desk or on the person. If any of these are found with a student during an assessment, they will be given a zero. Students must not resort to any form of malpractice during an assessment , they must not speak to any other students during an assessment. Any form of malpractice will lead to being given a zero for that particular assessment.

We would like our children to understand the importance of developing study habits that are consistent and productive and undertaken on a daily basis and not at the last minute.

Yours sincerely,

Mr. Paul Asir Joseph
(Principal)
