These are monitored and checked frequently when they come on unannounced site inspections.

6) EXAMINATION RULES AND REGULATIONS YEARS 1-10 / YEARS 11-13 will be published in their GC:

- a. If your child is **very ill** and unable to attend school send an email to the class teacher informing them of the absence. We will re-schedule exams that have been missed for this reason. Re-scheduled exams might be scheduled for a Saturday and/ or Sunday depending on how many exams have been missed. Please do not keep children at home for minor reasons. Longer illnesses for more than a day will require a medical certificate for rescheduling exams.

- c. **NO SMARTWATCHES ALLOWED DURING EXAMINATIONS**

7) COPING WITH EXAM STRESS/ STUDY TIPS AND MAKING A STUDY PLAN:
Parents, please check the attachment for helpful tips for you to share with the children.

8) SPRING BREAK CHANGE IN RE-OPENING DATE AS INFORMED BY KHDA:
Parents are hereby informed that we have just been informed that the school will resume after the Spring Break on 15th **April 2024 and not 8th April** as per their originally approved calendar. PLEASE MAKE A DUE NOTE OF THIS CHANGE.

9) FIRST TERM EXAMS:

Please ensure that children are seriously preparing for their Examinations. We are also reminding parents that unless there is a serious emergency or severe illness, students should not remain absent during exams. Children with mild colds can always be kept separately. We have observed that absenteeism at the school is becoming very frequent, we will address this with parents at a later date as this has now been documented by KHDA.

10) ADMISSION TO A-LEVELS (PARENTS OF CURRENT YEAR 11 STUDENTS):

Parents of Year 11 students are requested to kindly go through the separate circular on A-Level admissions attached to this weekly notice. **Parents are reminded that we do not admit NON-ST. MARY'S STUDENTS TO OUR A-LEVEL PROGRAMME.**

11) SOCIAL MEDIA FREQUENT CHECKS BY PARENTS FOR SECONDARY & UPPER PRIMARY CHILDREN:

Parents of secondary and upper primary children are strongly encouraged to kindly make frequent checks of your child's use of Social Media. We have seen in many cases that minor children are being sought out on Instagram, Snapchat and other platforms by much older individuals for chats and conversations. It is important for parents to know who their children are conversing with to protect them from any potential safeguarding issues. We would also like to remind parents about your children's use of inappropriate content and language on Social Media Platforms which you will be aware of only if you make frequent checks of the same. Please have your child remove himself/herself from private social media groups that are not encouraged or recommended by us at St. Mary's. The school cannot take responsibility for private groups started by students, and we strongly discourage the formation of these groups as well as discourage student participation in them. It is once again important here that ALL PARENTS check your children's digital activity frequently including group activity if your child is part of private groups created by students.

12) APPROVED KHDA CALENDAR FOR ACADEMIC YEAR 2023-2024:

Parents are requested to check the approved KHDA School Calendar for the Academic Year 2023-2024 that has been attached to this circular for your easy reference. This will help you plan ahead. If the regulators make any changes to the same, we will inform you immediately. Please note that only emergency medical leave will be approved during school days. Leave for family holidays and celebrations must coincide with the school holidays as per the KHDA calendar. Leave for events like graduations, weddings, parties etc will not be granted during school days and if absences like this occur during exams, there will be no re-exams in that case. We expect parents to respect these dates and not request leave during school days.

KEY DATES IN THE APPROVED KHDA CALENDAR

Parents are strongly reminded not to plan holidays/ celebrations and other events outside the approved holiday slots in the calendar as these will not be approved.

Admissions for the Academic Year 2024-2025- **YEAR ONE ONLY**

Information to parents applying to **YEAR ONE**

We are pleased to announce the procedures for New Admission for the Academic Year 2024-2025 at St Mary's Catholic High School, Dubai. We invite you to read on carefully as this will help in saving time and enable us to work smoothly.

As per the guidelines of KHDA, the Ministry of Education, minimum age for admission to Year One is 5 years on the 31st of August 2024 for UK curriculum schools. Children born between 1st September 2018 and 31st August 2019 may apply for YEAR ONE.

ALL STUDENTS APPLYING TO YEAR ONE SHOULD HAVE COMPLETED FS2 OR KG1. THIS IS A MANDATORY REQUIREMENT FOR ADMISSION TO ST. MARY'S.

Admission Procedures

Forms must be filled online using the link provided in this notice with all relevant supporting documents. Please note that forms that are not fully filled, have incorrect details and/or do not have all the supporting documents will not be considered.

Link : <http://smchs.ethdigitalcampus.com/RegistrationPortal/?dbConnVar=SMCHS>

Documents to be attached with the form

- 4 passport photographs
- 1 photocopy of the passport with valid visa of the child, parents/ guardian
- Last report card from the previous school
- Emirates ID of parents and candidate
- Birth certificate of the child
- The health card (Immunization Card)
- The Baptismal Certificate (Christians only)

Face-to-face interviews that test a child's reading and general conversational ability will be scheduled for short listed candidates in the month of March 2024. **A SAMPLE OF READING TEXTS WILL BE UPLOADED TO THE SCHOOL WEBSITE UNDER THE ADMISSIONS TAB.** Parents should be aware that the INTERVIEWS are competitive as the number of students far exceeds the number of places available. Other factors are also taken in consideration such as those which will allow us to maintain a good balance in the internationality of the student body.

Incomplete application forms will not be considered for admissions. Students studying in a particular class will not be allowed to take admission in the same year, for e.g. if a child is studying in year one he / she will not be considered for admission to year one.

Valid Residential Visa for the child, parents or the guardian who is sponsoring is a must to consider the applications for admission process. In case your UAE visa is under process, kindly provide evidence of the same and / or an undertaking to provide the same once secured.

We regret that we will not be able to contact all the applicants individually. If your child's name does not appear on the final list, then it means that he or she has not made it through the face-to-face interview.

Please do not call the school to check the status of your application. We will not be able to entertain such enquiries. **As places are very limited, parents are advised to seek admission to other schools too.**

Please do not phone the school for admission-related enquiries.

Study Tips

Establish a study routine. Creating a routine—such as studying for an hour after dinner, or for a half hour each morning—will encourage consistency. When getting started, create a study schedule and set reminders on your phone to help build the habit.

Create a dedicated study area. Choose an area that is free of distractions where you can set up your study materials and leave them between sessions. When it's time to study, you won't spend time searching for something you need. Just sit down, and you're ready to go.

Focus on the quality of studying, not the quantity. It's more effective to space out many short study sessions, rather than having one marathon session. Try studying in half-hour to hour-long blocks, with breaks in between. This way, you can stay alert and focused the whole time.

Make studying a priority. When it's time to study, take it as seriously as you would take a job. Don't skip study sessions, start on time, and give the task 100% of your attention.

Set specific study goals. Goals give direction to a study session and provide a sense of accomplishment when completed. Create goals that can realistically be completed in a single study session, such as: Learn the terms in chapter 1, pass the chapter 2 practice quiz, take notes on chapter 4, or review class notes for 30 minutes.

Don't stop at reading—write down what you learn. By typing or hand-writing information, you will engage in active learning, which can improve retention and understanding. Try making flashcards, writing chapter summaries, or creating an outline of the material. As a bonus, you can refer back to what you've written to quickly review the material.

Quiz yourself to make information “stick”. Look for practice tests or discussion questions after each chapter you read. Another way to “quiz” yourself is to teach something you've studied to a friend, a pet, or even an inanimate object, without looking at the material.

A change of scenery can improve information retention. If you're feeling unfocused, unmotivated, or just plain bored, try studying somewhere new. Libraries, parks and coffee shops are great alternatives for breaking out of your routine.

Take care of your mind and body. Healthy sleep habits, exercise, and a balanced diet will boost memory and brain function. Studying is most effective when it's balanced with good habits.

Focus Plan

Step 1: Define the task

Write one task you need to complete this week. For example, "clean the house for guests."

Step 2: Break the task into smaller parts

Breaking a large task into smaller parts makes it feel more manageable. "Clean the house" might sound daunting, but "wash dishes" and "do laundry" seem easier to handle.

Task Parts	Time Required
1	
2	
3	
4	
5	

Step 3: Create a schedule

Schedule the task for a specific time, or link it to a daily activity (e.g. "do the laundry when I get home"). Also, plan how you will remember to work on the task (e.g. "set a phone reminder").

Schedule	Reminders

Focus Plan

Step 4: Prepare for the task

List how you will get ready to work on the task, before the scheduled time.

Eliminate Distractions List distractions you can eliminate before starting (e.g. silencing phone, working from a room without a TV).	Plan for Unavoidable Distractions Create "If, then" plans for likely distractions (e.g. <u>If</u> my friend calls, <u>then</u> I will say "Let me call you back in 15 minutes").
Materials and Supplies List items you will need to complete the task (e.g. dish soap, sponges, laundry detergent).	Physical Preparation List actions you will take to be ready for the task (e.g. dressing appropriately, getting home on time, having a snack).

Step 5: Imagine the outcome

Many people underestimate the positive feelings that come from completing a task. Describe the benefits of completing the task, and how you will feel as a result.
