

EDUCATIONAL TOUR OF SWITZERLAND & GERMANY

- Switzerland is One of the Countries with the Highest Quality of Life. According to the Social Progress Report, “medical”, “nutritional” and “access to basic knowledge” is where the country shines. Its index is 88.87 out of 100.
- Switzerland Has 208 Mountains and has more high peaks than any other country in Europe with 48 that are above 4000 meters.
- It’s no wonder Switzerland is known internationally for its high-quality chocolate, but do you know just how much chocolate is made and consumed there? Approximately 180,000 tons of chocolate is made, and about 11 kilos of chocolate per person are eaten per year. there is even have a chocolate train!
- Switzerland is one of the world leaders in recycling and waste management. The Swiss successfully separate and recycle organic and recyclable waste whilst converting the rest to energy. Moreover, Switzerland provides nearly all CO2-friendly electricity to its citizens.
- Switzerland’s Gotthard Tunnel Is the Longest in the World

- Germany is the EU's largest economy.
- German is the third most widely taught language in the world.
- The Black Forest is a large, forested mountain range located in south-western Germany. This region measures 160 kilometres in length and 60 kilometres in width.
- The Black Forest has got this name from the general dark color of the pine trees that grow in the region.

The cosmopolitan city by the water combines creative urban life with nature in all its glory. Zurich is abuzz with activity day and night with its countless events, diverse venues.

And if you're after rest and relaxation, you can be in the Swiss mountains in less than an hour.

DAY 1

- Arrive at Zurich
- Explore the beautiful city of Zurich.
- Proceed to Hotel
- Dinner & Overnight stay in the hotel

For more than 6,400 years, Zurich has been occupied, 2000 years of these years as a city. Today, the city is home to 400,000 residents and is the largest city in Switzerland as well as the capital of the canton of Zürich. As a hub for railways, roads, and air traffic to both Switzerland and Europe in general; the city's importance cannot be gain said.

DAY 2

- Breakfast
- Visit the Rhine Falls
- Learn how the traditional Black Forest cake is made.
- Educational session at the Drubba Cuckoo Watch Outlet
- Enjoy the scenic view at Lake Titisee
- Dinner & Overnight Stay in the hotel

The Rhine Falls is the largest plain waterfall in Europe. The falls are 450 ft wide and 75 ft high.

The highest flow ever measured was 1,250 m³/s in 1965; and the lowest, 95 m³/s in 1921.

The falls cannot be climbed by fish, except by eels that are able to worm their way up over the rocks.

Learn the history behind the world-famous black forest cake and participate in putting together this delicious masterpiece dessert.

In the heart of Germany's Black Forest, artisan cuckoo clock makers keep alive a tradition that has lasted for centuries. Carving intricate patterns and folkloric scenes, they build beautiful cuckoo clocks with a fairytale charm. Learn about the working process of these beautiful time pieces.

DAY 3

- Breakfast
- Enjoy the snow peaked Mount Titlis. Enjoy the cable car ride to the top of the mountain.
- Relish a hot lunch with the mesmerizing view of the mountains.
- Proceed to Lucerne and the old Town.
- Dinner
- Overnight stay in the hotel

The TITLIS Rotair cable car rotates its way up towards the snow-covered summit of TITLIS. The world's first revolving cable car transports you from the middle station at Stand up to the summit station at 3,020 meters above sea-level. The cable car revolves 360 degrees during the five-minute trip, treating you to idyllic panoramic views of steep rock faces, deep crevasses and distant snow-covered mountain peaks.

Lucerne, the gateway to central Switzerland, sited on Lake Lucerne, is embedded within an impressive mountainous panorama. Thanks to its attractions, its souvenir and watch shops, the beautiful lakeside setting and the nearby excursion mountains, the town is a destination for many travel groups and individuals on their journey through central Switzerland.

DAY 4

- Breakfast at hotel
- Visit the Swiss National Museum to learn about the history and culture of Switzerland, including exhibits on art, music, and traditional Swiss life.
- FIFA Museum Visit

- Learn the art of chocolate making while visiting a chocolate factory.
- Dinner
- Overnight Stay in the Hotel

Experience the world of chocolate with all your senses — from its history to its production and cultural significance. Find out fascinating facts about chocolate through multimedia exhibits, and benefit from unlimited chocolate tasting.

Football. Fútbol. Fußball. Voetbal. Calcio. Jalkopallo. Kora. Soccer. The names vary, but the game's the same. And it's played everywhere. In every village and city in every country on every continent.

The FIFA World Cup Gallery is the largest room in the museum and is dedicated to the two most important competitions run by FIFA – the FIFA World Cup and the FIFA Women's World Cup. It is the beating heart of the museum.

The Swiss National Museum holds a unique collection on the cultural history and the craftsmanship and artworks of Switzerland.
