MARY'S STUDENTS TO OUR A-LEVEL PROGRAMME.**

11) SOCIAL MEDIA FREQUENT CHECKS BY PARENTS FOR SECONDARY & UPPER PRIMARY CHILDREN: Parents of secondary and upper primary children are strongly encouraged to kindly make frequent checks of your child's use of social media. We have seen in many cases that minor children are being sought out on Instagram, Snapchat and other platforms by much older individuals for chats and conversations. It is important for parents to know who their children are conversing with to protect them from any potential safeguarding issues. We would also like to remind parents about your children's use of inappropriate content and language on Social Media Platforms which you will be aware of only if you make frequent checks of the same. Please have your child remove himself/herself from private social media groups that are not

encouraged or recommended by us at St. Mary's. The school cannot take responsibility for private groups started by students, and we strongly discourage the formation of these groups as well as discourage student participation in them. It is once again important here that ALL PARENTS check your children's digital activity frequently including group activity if your child is part of private groups created by students.

12) APPROVED KHDA CALENDAR FOR ACADEMIC YEAR 2023-2024: Parents are requested to check the approved KHDA School Calendar for the Academic Year 2023-2024 that has been attached to this circular for your easy reference. This will help you plan ahead. If the regulators make any changes to the same, we will inform you immediately. Please note that only emergency medical leave will be approved during school days. Leave for family holidays and celebrations must coincide with the school holidays as per the KHDA calendar. Leave for events like graduations, weddings, parties etc will not be granted during school days and if absences like this occur during exams, there will be no re-exams in that case. We expect parents to respect these dates and not request leave during school days.

Face-to-face interviews that test a child's reading and general conversational ability will be scheduled for short listed candidates in the month of March 2024. **A SAMPLE OF READING TEXTS WILL BE UPLOADED TO THE SCHOOL WEBSITE UNDER THE ADMISSIONS TAB.** Parents should be aware that the INTERVIEWS are competitive as the number of students far exceeds the number of places available. We regret that we will not be able to contact all the applicants individually. If your child's name does not appear on the final list, then it means that he or she has not made it through the face-to-face interview.

Please do not phone the school for admission-related enquiries.
