# The Poetic Hearts 2024

SGI Gulf's prestigious Poetic Hearts 2024 saw many talented writers from our school take part in it. One of our young poets got selected to perform her work on stage at The Poetic Hearts poetry symposium on 8th February, 2024. In a packed auditorium with dignitaries, senior poets, young poets from Saintz and students from other schools attending, our Samarah Gracias from 10A gave a stellar rendition of her poem, Pioneers of the Earth.

# Congrats!
