Ramadan Kareem

As we fast during this holy month
let us remember in prayer all those around the world
who fast daily with the hunger that is part of their lives.

As we bond as a family at home for Iftaar, let us
remember in prayer all those who will be alone for Iftaar.

As we offer up our good deeds to the Almighty this
Ramadan let us be grateful for safety and good health.

As we spend more time in prayer during this Holy Month
let us lift up the sick, the suffering, the poor , our leaders
and our school community.

May we all strive to be more tolerant , more patient ,
more gentle with one another and may God's love fill
your heart and home this Ramadan.

**Wishing Ramadan Kareem to our
Marian family with a prayer for
peace and harmony with one another.**
