SUBJECT: COLOURED CLOTHES DAY – 31ST OCTOBER.

Dear Parents,

Greetings from Saint Mary's.

We are sending out this letter to clarify the coloured clothes day on 31st October is part of our regular Coloured Clothes Day initiative towards student well-being.

The coloured clothes day on 31st October is in no way connected with Halloween as we do not celebrate Halloween at school. We therefore would like to strongly remind ALL parents to ensure that students do not come to school in any Halloween related costumes or clothing as well as not bring any candy or chocolates to school.

While coloured clothes days are a lovely way for children to wind down a bit and feel relaxed, we would like to remind parents that make up is not to be used by students and all clothing must be modest and in keeping with the cultural sensitivity of the UAE.

We count on your understanding and collaboration as always.

Thank You,

Mr. Paul Asir Joseph
(Principal)
