DATE: Friday, 10th October 2025**To: Parents of YEAR 12 STUDENTS****PREDICTED GRADES AND PREDICTED GRADE POLICY**

Dear Parents,

Greetings from St. Mary's. We are writing to you to discuss an important concept of predicted grades as your child is on the cusp of pre-university decisions.

Predicted grades estimate a student's likely final result based on their academic performance during their GCE / IAL programme of study, playing a pivotal role in university applications. While crucial for conditional offers in the UK, they hold less weight in the USA, where a holistic review approach is preferred. In Europe, the importance of predicted grades varies by country and institution.

At Saint Mary's Catholic High School, we follow a Predicted Grade Policy that is data based and reflects student's actual academic performance. The school does not deviate from this policy when applications for predicted grades are made by students.

We believe it is critical that every parent of our year 12 cohort takes time during this mid-term break to carefully read this policy with your child and if you wish to have any further clarification , we are always here to talk to you face-to-face.

Please fill in the acknowledgement slip below and send it back with your child to give to their class teacher.

Yours sincerely,

Mr. Paul Asir Joseph
(Principal)

**Please tick below:**

- ☐ **I have fully read and understood the Predicted Grade Policy.**
- ☐ **I wish to have an in-person meeting with a member of the leadership team to seek some clarifications.**
