PLEASE NOTE THAT ANY FEES THAT HAVE NOT BEEN PAID ARE NOW CONSIDERED OUTSTANDING. ANY STUDENT WHOSE FEES HAVE NOT BEEN PAID WILL BE CONSIDERED OUTSTANDING AND WE WILL NOT BE ABLE TO ISSUE ANY OFFICIAL SCHOOL DOCUMENTS, EXAMINATION ANSWER SCRIPTS, REPORT CARDS , ETC. .

Please note: In cases of outstanding fees, RE-REGISTRATION MUST NOT BE PAID, even if paid, it is not considered as a re-registration but will be adjusted towards the outstanding fees. We urge parents to please be responsible and settle ALL OUTSTANDING fees without any further delay.

Parents are strongly reminded that RE-REGISTRATION PAYMENT CAN ONLY BE MADE FROM 30TH MARCH 2026. Please wait for this ON SKIPLY and kindly do not use the ' OTHER PAYMENT OPTION ' ON SKIPLY TO MAKE THIS PAYMENT.

IMPORTANT PARENT AWARENESS: KHDA *has alerted all private schools about observations regarding dangerous physical behaviours among students, including choking, breath-holding, applying pressure to the neck, forceful contact to the head, and participation in social media trends such as the 'skull breaker challenge'. These actions are often presented as joking or play but they pose serious immediate risks to students' health and even have the implications of being life threatening.*

We have attached an infographic from DHA regarding these dangerous physical behaviours. We are strongly urging ALL parents to have age-appropriate conversations with your children about the risks involved with various dangerous physical behaviours which could also be life threatening. The school would also have to report any of these to the relevant external authorities.

Parents are strongly reminded to kindly monitor your child's online usage and use of social media including online games so that you are aware of the content that your child is accessing.

St. Mary's Catholic High School has a strict 'NO TOUCH' policy wherein NO STUDENT is allowed to TOUCH another student or have any PHYSICAL CONTACT with another student even as a form of play, a joke, a game etc. Kindly reiterate this to your children.

It is for this reason that games like tag, black shoe etc are strictly prohibited because what often starts out as a game ends up with someone getting hurt.

ATTENTION TO ALL PARENTS: “PANTSING” – An overview for ALL PARENTS. Pantsing is an act of physical bullying where a victim’s trousers are pulled down in a public setting. While many children and students view Pantsing as a prank or a joke or a playful act, we MUST remind them that in the UAE this is strictly viewed as a form of Bullying and will be treated in that context. This act could have serious psychological trauma on students and cause lasting embarrassment. **We ARE STRONGLY REMINDING ALL PARENTS** to talk to your children and explain to them that under **NO CIRCUMSTANCES MUST ANYONE COMMIT THIS ACT.**

DANGEROUS GAMES THAT HAVE POTENTIAL FOR INJURY: We would like to bring to the attention of parents that some students, particularly boys in Years 5-9 have been playing games like ‘black shoe’ or ‘shoe tag’ during the break This involves large groups of boys, running after each other , trying to stamp another’s shoe/foot. This happens in the setting of a crowded quadrangle of children during the breaktime, many of whom are sitting and eating their snacks. The act of strongly stamping another’s foot/shoe could lead to serious injury and we urge parents to kindly speak to your children about the potential dangers. We will not be permitting them to indulge in such games.

NOT STANDING NEAR ANY DOOR (EITHER AT HOME OR AT SCHOOL): We would also like parents to talk to children and reiterate to them the dangerous implications of hanging around or standing near doors. We have quite often noticed that children tend to move near the door to peep out in between lessons to look for the arrival of the next teacher, sometimes a child returning from the washroom may not see them and upon suddenly opening the door could potentially and unknowingly injure the person near the door. Proximity to any door could always have the potential for fingers getting jammed or other injuries and we would urge ALL parents to sit with children and have these important conversations with them.

This is completely optional, but we encourage students to make use of this opportunity as this gives parents and students critical information before making these important subject-choice decisions. Payment is to be made on SKIPLY. Please email your child's class teacher the Skiplly receipt. **FINAL DEADLINE TO PAY TO REGISTER IS 2nd MARCH 2026.**

11) SUBJECT ORIENTATIONS FOR YEAR 8 STUDENTS on 25th and 26th February for Girls and on 27th February and 2nd March for Boys: We have organised subject orientations for YEAR 8 students. Students will be engaged for some part of the day. They must have a refill pad and a pen to note down key information. They must also have their regular snacks and water. We will let them know which books to bring on those days.

12) ADMISSIONS TO YEAR ONE, YEAR TWO and YEARS THREE TO TEN FOR THE ACADEMIC YEAR 2026- 2027: We would like to inform all parents that the admissions notices for the Academic Year 2026 – 2027 have been uploaded to the school website and we have attached them to this circular as well. <https://www.stmarysdubai.com/wp-content/uploads/2026/02/YEAR-12-MOCK-EXAMINATIONS-2026.pdf>

14) RAMADAN OFFERING TO THE MOSQUE (WHOLE SCHOOL): As we do every year, we will be inviting all our children to bring in a small package of food which we will be sending to the mosque daily during Ramadan. This is optional of course, but we would like to teach ALL children the values of charity and generosity and inculcate in them a deeper sensitivity for those who are less fortunate. A schedule for each class is attached to the circular, link below.

Link: <https://www.stmarysdubai.com/wp-content/uploads/2026/02/Ramadan-Offering.pdf>

15) DISPERSAL NOTICE (Parents of Years 1 to 3): At our school, every child is precious to us. Their health, safety, and security remain our absolute priorities.

Recently, we have observed increased chaos during dismissal times due to parents waiting outside of designated zones and, in some cases, disregarding the instructions of school staff and student prefects. We must address this immediately, as crowding in non-designated areas poses a direct risk to the safe dispersal of our students.

To ensure a secure environment for everyone, we kindly ask for your strict cooperation with the following:

- **Designated Waiting Area:** Please wait for your children ONLY on the designated sides of the Girls Ground Floor. This is essential to maintain a smooth, supervised flow of children to the Holding Area.
- **Follow Official Guidance:** We request that you localise your presence to the marked areas and strictly follow the directions provided by our staff and student prefects. They are there to ensure your child's safety.
- **Yielding to Exit Paths:** Please be mindful of senior students exiting through Gates 4 & 5 and STS bus users exiting through Gate 3. It is vital that these pathways remain clear; please give way to these students as they transition.

We understand that dismissal can be a busy time, but we cannot compromise on safety. By adhering to these arrangements, you help us ensure that every child leaves the campus securely and without incident.

Thank you for your immediate attention to this matter and for partnering with us to keep our students safe..

16) FIRST TERM EXAMINATION SCRIPTS (YEARS 1-10 AND YEAR 12): All Parents are requested to kindly ensure that ALL answer scripts MUST be sent back with your child if you have not yet done so. Please note that once returned, answer scripts will no longer be available for your reference.

17) MOCK EXAMINATIONS YEARS 11 AND 13 AND SERIOUS TIME FOR STUDY NOW Please note that the Mock Examinations for Years 11 and 13 will run from the 9th to the 13th of March before the Spring Break and the 30th and 31st of March 2026 and the 6th to the 9th

of April 2026. Students must report to school at sharp 7:00 am. No leave will be sanctioned during Mock Examinations. **Any medical illnesses even for one day will require a medical certificate.** The Mock Exam Timetables have been uploaded to the school website and have been attached to this circular.

We urge parents to please monitor students doing board examinations as we have found a lack of seriousness among many students. This is a critical time for solving past papers, clearing doubts and undertaking intensive revision. We still find that many students are not displaying a responsible attitude towards their studies and this will impact them negatively in the long run. Parents will need to be more active in monitoring their social media use and any other time that is not spent fruitfully. We urge children to use this short time left to maximise their revision and preparation for the Pearson Edexcel Exams in May-June 2026.

18) ONLINE SCHOOL ON THE 2ND AND 3RD OF APRIL 2026 , YEARS 1-13: All parents are requested to kindly note that we have received permission from KHDA to have two days of online school on the 2nd and 3rd of April 2026. This is to ensure the safety of our students and staff due to the large crowds that will be accessing the area on Maundy Thursday and Good Friday. More details about lessons and online lesson links will be sent before the Spring Break.

19) SCHOOL JACKET/HOODIE IDENTIFICATION: All parents of children are requested to kindly sew clear name tags on the inside of school jackets/ hoodies. This is to help clearly identify lost items especially in situations where one jacket might be claimed by more than one student as their own and without any clear identification becomes impossible to determine the rightful owner of the lost item.

20) NO BARTERING / EXCHANGE OF GOODS OR SHARING OF FOOD FOR THE GOOD OF ALL CHILDREN: We have recently come across a few cases of children across various year groups bringing in items from home to exchange with their classmates for food or a snack item . These items have included but are not limited to small toys, gift cards, collectible

cards, stickers, etc. We are certain that as parents you understand that many children suffer from food allergies and in the excitement could consume something that has ingredients to which they are allergic. The act of trading has many potential implications that are beyond the maturity of young children to deal with. It has the potential to cause arguments and fights. Often, children are trading for an item that you as parents do not allow them to consume, for example chewing gum. We are urging all parents to kindly ensure that children are not bringing any items to school other than what is required for their learning in lessons.

21) FOURTH SUBJECT DROP (GCE/IAL SUBJECTS ONLY)-YEAR 12 STUDENTS:

We have been receiving subject drop forms signed by parents and these are being duly processed where required evidence of the requirement of only three subjects has been provided. Once a subject has been dropped it cannot later be re-taken due to a loss of curricular hours. Parents are therefore requested to carefully consider this decision. There is no deadline for dropping the fourth subject.

22) ENOUGH WATER TO BE SENT WITH CHILDREN OR A FEW AED 1 COINS TO PURCHASE WATER FROM THE MACHINES:

Parents of students especially those in lower primary are requested to kindly send enough drinking water with your child or one or two AED 1 coins so they can be assisted with getting water from the machines. For reasons of hygiene and safety there are no drinking water fountains.

23) INAPPROPRIATE USE OF SOCIAL MEDIA & CYBERBULLYING:

Please see the link to the circular. https://www.stmarysdubai.com/wp-content/uploads/2025/09/CYBERBULLYING-BULLYING-SANCTIONS-AND-CONSEQUENCES-REMINDER-CIRCULAR.pdf#new_tab

24) BREAKFAST/ SNACK FIRST THING IN THE MORNING:

We recognise that many children, especially those travelling on long bus journeys to reach school every morning, find it difficult to have their breakfast so early in the morning and some suffer travel illness. We would like to inform parents that it's perfectly alright to send a packed snack or breakfast with your child so that they may eat it in class first thing in the morning when they reach school. This is a much healthier option than children being on an empty stomach for long hours.

25) SOCIAL MEDIA FREQUENT CHECKS BY PARENTS FOR SECONDARY & UPPER PRIMARY CHILDREN:

Parents of secondary and upper primary children are strongly encouraged to kindly make frequent checks of your child's use of Social Media. We have seen in many cases that minor children are being sought out on Instagram, Snapchat and other platforms by much older individuals for chats and conversations. It is important for parents to know who their children are conversing with to protect them from any potential safeguarding issues. We would also like to remind parents about your children's use of inappropriate content and language on Social Media Platforms which you will be aware of only if you make frequent checks of the same. Please have your child remove himself/herself from private social media groups that are not encouraged or recommended by us at St. Mary's. The school cannot take responsibility for private groups started by students, and we strongly discourage the formation of these groups as well as discourage student participation in them. It is once again important here that ALL PARENTS check your children's digital activity frequently including group activity if your child is part of private groups created by students.

26) ADMISSION TO A-LEVELS (PARENTS OF CURRENT YEAR 11 STUDENTS):

Parents of Year 11 students are requested to kindly go through the separate circular on A-Level admissions. Link here.

https://stmarysdubai.com/wp-content/uploads/2025/08/ADMISSION-TO-A-LEVELS-for-the-ACADEMIC-YEAR-2025-2026.pdf#new_tab

27) UNIFORM INFRACTIONS: Parents are hereby notified that we have been very disappointed with the large number of uniform infractions , especially among senior students.

These include very long and unruly hair of boys (kindly ensure that proper haircuts are undertaken this weekend) , long hair of girls untied, coloured and highlighted hair of girls we have specifically reminded parents at the end of last Year that this is strictly not allowed) , multiple ear piercings for girls, shorter than acceptable skirt lengths , long fingernails of both boys and girls, heavy make -up on girls. What is even more disappointing is the lack of collaboration from parents when we correct students for the same. Parents are requested to please check on your children before they leave home in the morning. Please refer to the uniform policy .

28) STUDENT SCHOOL EMAIL ID: Your child's school email will be a focal point for our communication to you. **We will use a parent's email only to communicate outstanding fee or disciplinary issues.** A **CLASS GROUP EMAIL** has been created using the students 'official email ID for every class. This is for the dissemination of information daily from the class teacher to the parents of this class and we request parents not to write back to this address. We recommend that every parent checks this email after 6:00 pm every day for important updates.

29) APPROVED KHDA CALENDAR FOR ACADEMIC YEAR 2025-2026: Parents are requested to check the approved KHDA School Calendar for the Academic Year 2025 available on school website for your easy reference. This will help you plan ahead. If the regulators make any changes to the same, we will inform you immediately. Please note that only emergency medical / bereavement leave will be approved during school days. Leave for family holidays and celebrations must coincide with the school holidays as per the KHDA calendar.

Leave for events like graduations, weddings, parties etc will not be granted during school days and if absences like this occur during exams, there will be no re-exams in that case. We expect parents to respect these dates and not request leave during school days.

KEY DATES IN THE APPROVED KHDA CALENDAR

Parents are strongly reminded not to plan holidays/ celebrations and other events outside the approved holiday slots in the calendar as these will not be approved.

30) INTERNATIONAL BENCHMARK TESTS FOR THE ACADEMIC YEAR 2025-2026 AND APPLICABLE PAYMENTS: Parents are requested to kindly go through this table carefully so that you will be aware of which International Benchmark tests are applicable to your child. Payments will be via Skiplly and will be advised as these come up.

31) PREDICTED GRADES POLICY FOR YEARS 12 & 13: We would like to remind all parents and students to carefully go through this Policy that is available on our school website. The situation that unfolded over the last few years made many children realise, albeit too late the true value of being consistent with their study habits and not waiting until the last minute before exams to prepare and study. It is always best for every child to be **CONSISTENT AND HIGHLY REGULAR** with their study and ensure that they maintain a good level of attainment across all their assessment opportunities and prepare as well as they can for their Board Examinations. This will also help them to achieve better predicted grades as every assessment and examination counts towards the calculation of the same.

32) SUBJECT CHANGE POLICY , YEARS 9 TO 13: We would like to request all parents of children in these year groups to please go through the Subject Change Policy which is available in the Parents' Info section of the school website.

33) NO DISTRIBUTION OF ANY ITEMS (cakes/ candies/ chocolate/ and even non-edible items) FOR BIRTHDAY CELEBRATIONS: Parents are reminded that while the class would be happy to sing for your child on his/her birthday, there should be **STRICTLY NO DISTRIBUTION** of any food/ sweets or even non-edible items like small toys etc on your child's birthday.

34) PARENTS TAKING PICTURES AND VIDEOS ON SCHOOL PREMISES: All

Parents are reminded that taking pictures and videos of children on the premises is a strict violation of Child Protection Policies. We understand that as parents it is exciting to capture memories, but when other children are involved, it goes against all Child Protection Policies. We will do our best to send you all memories of various activities captured in school.

35) GATE ACCESS TO THE PREMISES: Parents are requested to kindly not use the church

gates to access our premises for drop off and pick up. GATE 4 and GATE 5 are the school gates to be accessed.

36) STUDENT ABSENCES MUST BE INFORMED BY PARENTS: All parents are

requested to kindly inform the class teacher via email whenever a child is absent , even if it is just for one day. A simple email with the reason for the absence will suffice but is mandatory. Unaccounted for absences will be marked as unjustified and will be reflected on students' progress reports.

37) URGENT QUERIES AND CONCERNS: If you have any urgent queries and concerns,

kindly send an email to our Vice Principal , Ms. Lise-Ann on l.pinto-smchs@smgeducation.org and she will get back to you. Please include your telephone number in case she needs to call you.

We take this opportunity to wish each one of you a safe and happy weekend .

Yours sincerely,

Mr. Paul Asir Joseph
(Principal)

**To, Parents of ALL YEAR 8 students at Saint Mary's Catholic High School, Dubai-
Year Nine Subject Options for GCSE study**

Dear Parents,

Greetings from St. Mary's. We are writing to explain why it is going to be necessary to look at Year Nine options into GCSE study in a slightly different way.

Having considered the current subject option process and choices made, it has become clear that to meet the KHDA recommendations for the curriculum to meet the NCFE requirements for KS3 and considering the overwhelming impact that subject options have on future educational pathways, we have decided to now follow a two phased approach over Year Nine and Year Ten.

Attainment data of Year Nine strongly suggests that this new approach will support our ambitions for our students to have the best learning experience possible as we aim to not overwhelm them with all the subject option choices at one go.

In Year Nine, your child will enjoy a broad and balanced curriculum, designed to build essential knowledge and develop a love for learning. Studying English Literature, History and Art are very important in shaping cultural awareness and sensitivity. They will also have the opportunity to choose 4 GCSE options that reflect their interests, strengths and aspirations.

To our dear students, this is your opportunity to begin thinking realistically about your future, be aspirational in your thoughts and aim high. These GCSE years will of course bring increased challenges and greater depth of study, but also wonderful opportunities. With our dedicated Marian family, high academic expectations and supportive environment, we hope that our children will aim to achieve their very best. Many of our students go on to attend famed universities around the world, a true reflection of their hard work here at St. Mary's.

We know that choosing GCSE subjects can be a challenging task, however, please rest assured that our subject leaders and counsellors are here to guide you in every step of the way.

What will this change look like for YEAR Nine students in 2026-2027?

SUITE ONE

Students in Year Nine will study the following subjects as **COMPULSORY GCSE SUBJECTS**

- 1) English Language**
- 2) English Literature**
- 3) Mathematics**
- 4) History**
- 5) Art**
- 6) Geography**
- 7) Religious Studies / Psychology**

(Psychology is only for those students who do not take Islamic Studies or Values Education)

What is the COMPULSORY suite of subject options for students of Year Nine for 2026-2027?

ONE SCIENCE IS COMPULSORY FOR ALL STUDENTS

SUITE TWO

- 1) ICT or Computer Science (ANY ONE)**
- 2) Biology or Accounting (ANY ONE)**
- 3) Chemistry or Economics (ANY ONE)**
- 4) Physics or Business Studies (ANY ONE)**

**** Please note that ICT/Computer Science and one Science have been made compulsory to further closely align with the British Curriculum, as pointed out in our KHDA inspection process over the last few years with a view to furthering students access to technology, thus arming them with the requisite 21st Century skills.*

A minimum of one approved GCSE Science will also be required later if Equivalency is sought in the UAE.

COMPUTER SCIENCE: Kindly note that places for Computer Science will be restricted to those students who currently display a secure understanding and application of computational thinking and problem-solving skills. Programming skills are a core component of this course, and students will be required to have a knowledge of Python and be competent at designing, writing and debugging programmes . In case the places are oversubscribed, the school will have to allot seats strictly based on current academic competence in ICT.

What are the STATUTORY MOE SUBJECTS for students of Year Nine for 2026-2027?

SUITE THREE

- 1) Arabic B (compulsory for non-Arabs till Year 10)
- 2) Arabic A (compulsory for Arabs till Year 13)
- 3) MSC-Moral Social and Cultural Studies (compulsory for Non-Arabs till Year 10)
- 4) Islamic Studies A or B (Only for Muslim students and compulsory till Year 13)
- 5) Social Studies for Arabs (compulsory till Year 10)
- 6) Moral Education for Arabs (compulsory till Year 13)

What will be PHASE TWO of the Subject-Option Choices in Year Ten/ KS4?

Students will continue with the following COMPULSORY Subjects in YEAR TEN

- 1) Students will carry forward their 4 Subject choices from **SUITE 2**
- 2) Students will carry forward the 3 statutory subjects from **SUITE 3**
- 3) Students will continue with the following compulsory GCSE subjects
 - a) English Language
 - b) Mathematics
 - c) Religious Studies or Psychology
- 4) Students will choose **ANY ONE OPTION FROM** (English Literature or Art or History or Psychology)

Students will therefore have a minimum of Eight GCSE Pearson Edexcel Subjects and three Statutory MOE subjects in YEAR Ten.

Subject: Upholding Our Standards: A Note on Student Appearance and Professionalism

Dear Parents,

At St. Mary's Catholic High School, we believe that the way a student carries themselves is a reflection of their self-discipline and respect for their learning environment. While we appreciate that our students are growing into their own identities, we have recently noticed a decline in adherence to the school's regulations regarding personal appearance, specifically concerning boys' hairstyles.

The Current Challenge

We have observed a growing trend of "eccentric" hairstyles—specifically the overly voluminous, tousled styles (often referred to as the 'broccoli' cut) that do not align with our requirement for neatness. Furthermore, a significant number of students are arriving at school without having brushed or tidied their hair, leading to an unkempt appearance that detracts from the dignity of the St. Mary's uniform.

Our Expectations for Appearance

To ensure all students represent the school with pride, we require the following:

Neatness:

Hair must be washed, brushed, and appear orderly. "Intentionally messy" styles are not permitted.

Length:

Hair must be cut short and tapered, kept completely off the forehead and above the eyebrows.

Style:

Trend-based cuts that involve extreme volume on top or shaved patterns are not compliant with school policy.

Preparation for the Professional World

Adhering to these standards is about more than just rules; it is about developing a sense of decorum. In the world of work, the ability to maintain a professional appearance is a vital skill. By encouraging these habits now, we are preparing our young men to present themselves with confidence and dignity in any professional setting they enter in the future.

We kindly request that you ensure your son’s appearance meets these standards before the start of the coming week. We thank you for your continued partnership in maintaining the high standards of excellence at St. Mary’s.

Warm regards,

A handwritten signature in blue ink, appearing to read "Paul Asir Joseph".
