To: The Parents of Students in Years 1 to10 and Year 12 **RETURN TO ON-SITE LEARNING FROM 11TH MAY 2026**

Dear Parents,

Warm greetings from St. Mary's. We are officially communicating the latest update from the Ministry of Education and KHDA, whereby staff and students will return on site from tomorrow, Monday, 11 May 2026.

Since this would have normally been an examination day, and since we amended the examination timetable due to the uncertainty of the delivery of learning, we will be supporting students with their exam preparation in school, as well as enabling a few tasks to add to their assessment portfolios.

All other protocols with regard to on - site learning remain unchanged.

The canteen will not be operational, so kindly send enough snacks and water with your child. The staggered dispersal timings that have been communicated earlier will also stay the same. Some classes would have received information in the class group email regarding NGRT, please consider that as now confirmed.

The safety and wellbeing of the children and our staff will always be our foremost priority and to that effect , all safety protocols are in place.

Please bring in your heartfelt messages to the armed forces, if you haven't done so. We will be judging and announcing competition winners by Friday, 15th May.

Thank you for trusting us and being valued members of our Marian Family. Your trust and confidence is a reassurance as we all navigate these uncharted waters. Let us remain positive and prayerful .

Yours sincerely,

Mr. Paul Asir Joseph
(Principal)
