

PREMED PROJECTS PRESENTS

FUTURE DOCTORS MONTH 2026

FREE ONLINE WORK EXPERIENCE

For students aged 14–18

FREE

4 Weeks

Doctor-led online medical experiences

Sunday 11 October

A&E: Can You Save the Patient?

Assess an emergency patient and decide what should happen next.

Sunday 18 October

Inside the Operating Theatre: Anaesthetics

Explore anaesthesia, airway management, monitoring and how patients are kept safe during surgery.

Sunday 25 October

The Diagnosis Challenge: Medical Detective

Students investigate a mystery patient, interpret the evidence and work towards a diagnosis.

Sunday 1 November

Outbreak: Can You Stop the Spread?

Investigate an infectious disease outbreak and make clinical and public-health decisions.

Students can join the sessions live from anywhere in the world, but they don't need to attend live. Every session will be available on demand afterwards, making the course accessible regardless of time zone.

One registration unlocks all four experiences.
Completely free – 5,000 places available worldwide.
