Reading Bingo Rules (Years 1-3)

- Reading Bingo is intended to foster the students' love for reading.
- Books read must be age appropriate.
- The challenge runs from **5th October, 2026 – 5th January 2027**.
- Students are required to read and complete one full row of challenges either vertically, or horizontally, or diagonally to gain entry into the leader board.
- Every time you read and finish a challenge, tick the box. One book applies to one box only.
- No academic books or books from our curriculum will be accepted.
- For the yellow box challenge you may read in hard copy (book) or soft copy (tablet, e-reader, PDF). However you will be required to bring it in (book or the digital link).
- For the blue box challenge parents need to send the photograph to their English teachers that clearly identifies with the challenge.
- You will be asked to share or talk or do a simple check about your reading so that the teachers can check your progress and enter your name in the leader board.
- Try to make a line by completing five boxes in a row – it would be good to see if you can complete two or more lines.
- The biggest challenge? A Full House! – finish every box on the bingo board.
- Read for fun, explore new kinds of books, and enjoy the journey while you aim for your lines!
